Product Description

Focus Fast - The World's 1st & Only Neuro Focusing Agent

Focus Fast is a premium brain supplement that simultaneously Improves Working Memory, Increases Focus and Enhances Attention. Results can be seen within 1 hour of dosage and improves up to 6 hours later. It also contains 39 unique ingredients (750 mg per pill to be exact) that are scientifically proven and are substantiated by randomized double-blind, placebo-controlled, clinical studies. *Scientific Journal Reference: Psychopharmacology (Berl). 2010 Oct; 212(3): 345–356.* Finally, Focus Fast has been out on the market since 2008 making it a household name amongst the focus and memory category.

The Neuro Focusing Technology Advantage - A multi-layered approach to stimulate 6 key physiological pathways

Focus Fast can be used by a variety of individuals that are seeking to boost their brain and focus

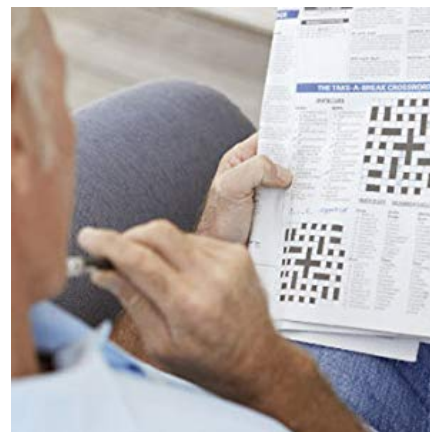

School

If you are looking for a study pill then your search is over. Focus Fast contributes to increases in cognitive performance

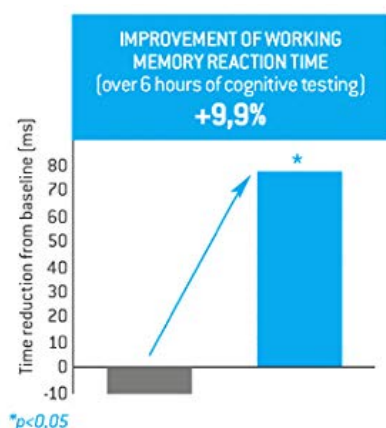

Work

Whether at the office or on the go, Focus Fast enhances attention.

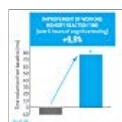

Home

Focus Fast supports the role of memory function and improves working memory during everyday activities

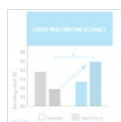

Improve Working Memory

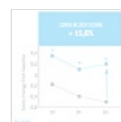

By speeding the reaction time, the key ingredient in Focus Fast reduces the time it takes to retrieve an item from working memory. Scientific Journal Reference: Psychopharmacology (Berl). 2010 Oct; 212(3): 345–356.

Great product! I noticed it started working in the first couple days. It was easier to remember things on the fly - lists, names, places, and other facts and knowledge - I also noticed it was easier to correlate pieces of information and ideas during discussions and in meetings. For example being able to bring up

facts and relate discussions to other issues that I would normally think about or remember afterwards; It has definitely made me sharper.
