I've given up now and very disappointed. Not sure which ingredient is causing it

December 24, 2017

**Verified Purchase**

I do believe that helped me with mental alertness. The problem is, it caused sever burning pain in my stomach. By severe I mean, I was on the floor (like stomach ulcers). I kept thinking that something else was causing it. But I figured out eventually that every time I took these pills, it caused the pain. I tried it

This formula really makes a difference how my brain feels. That may sound funny, but I was experiencing brain fatigue. With this product I don't have that. I also found that this is much cheaper from Amazon than at GNC stores.
