This stuff actually works

March 2, 2019

Verified Purchase

I have tried many other products a s nothing had worked until this .mogo stuff. I bought this little gem without compensation and I waited 2 weeks till wrote this so to be sure results were consistent. Man what a diffrence . I take 2 tabs a day either first thing in morning, or after lunch . I have found that results were even more enhanced when I took this the same time I took beet root powder although did get a minor flush on my cheeks perhaps from the niacin found in both.
