About the product

- **A POTENT BLEND OF 10 BRAIN NUTRIENTS:** Each of Nourish Valley Neuro Dose capsules delivers 200mg Bacopa combined with a specialized blend of 9 other vitamins, amino acids and antioxidants that easily cross the blood brain barrier, potentially allowing powerful nootropic effects on the brain. Our blend also features Alpha GPC for mental focus, Huperzine A for learning enhancement and Phosphatidylserine 100 for memory support.
- **ADVANCED 4-IN-1 FORMULA:** Neuro Dose is a complete nootropic specially designed to help support the 4 critical functions of the brain - focus, memory, clarity and mood. Our unique formulation is also crafted to help increase oxygen flow and circulation in the brain, cells and neurons.
- **NON-HABIT FORMING, ONCE DAILY DOSE:** Neuro Dose is safe for daily use, without the risk of habit forming. Boost cognition, stay focused and alert longer, and retain info more easily with a daily serving of just one capsule.
- **NO ARTIFICIAL EXCIPIENTS (SYNTHETICS):** Our Neuro Dose supplement is free of magnesium stearate, stearic acid, dicalcium phosphate, gluten and silicon dioxide. NourishValley Neuro Dose is a great choice for people who want a truly natural and organic supplement at an affordable price.
- **QUALITY YOU CAN TRUST:** NourishValley Neuro Dose supplement is manufactured in accordance with Good Manufacturing Practices (GMP), among the highest standards in the world. This product is proudly made in USA with Guaranteed Purity & Potency. We offer best quality products for the best value. All our products are Third Party Tested. We do not compromise on quality.

Superior ingredients, quick results

March 6, 2019

Verified Purchase

After pretty extensive research on nootropics, I stumbled across this supplement. I couldn't believe the price after reading the ingredient list. I've seen supplements with similar ingredients for 10 times the price of this, so I figured no harm in trying. Thus far I've been very happy. Better focus for sure, and I'm expecting the results to improve as the Bacopa takes full effect. Definitely worth a try!

Great product!

This product has helped center my mind more than I have been able to on any other supplementation mix since a TBI 3 years ago. I have now taken a hiatus from the neurodose for a month to take notes on memory, mood, etc and find that it has only been benefiting me to be on. I'm grateful for the combo of ingredients.

No problems so far!

I'm late middle age, and find these blends help my focus, memory, and sense of wellbeing. I first took them for depression years ago. I like that I experience no side effects from these formulas.

GOD IS IN CONTROL

Helps Maintain Concentration all day

April 18, 2019

Verified Purchase

Provided to a relative who works in the Marketing Research business and it is pilot season time. They said that they were not tired and it helped them not lose their concentration while looking at the computer screen and they have been able to focus all day while talking to clients from 9 a.m. to 8 p.m. They still are not tired and it is after 10 p.m. Definitely would recommend!

Best out there

February 28, 2019

Verified Purchase

This product has helped me in the past week more than anything I have ever tried before. I have been in a much better mood and ability to focus on everyday life better as well. I can honestly say my mommy brain was getting pretty forgetful, but since I started using Neuro Dose, I have not been forgetting things I was before.

Instant Results! Feeling Naturally Healthy and Alert

March 7, 2019

Verified Purchase

I'm always a bit skeptical of herbal supplements, but this one seemed promising. I'm incredibly glad that I gave this product a chance, because it worked almost instantly! I've noticed that I'm able to focus much more at work, and I don't get that dreaded fatigue around 3pm that I'm so used to. Love it!

I ordered these for my hubby who struggles with memory, focus and organization. He takes these faithfully everyday and I can see a difference. I will be ordering more for him.
