Focus!

July 18, 2018

Verified Purchase

Brain fog is the worst, but this supplement has surprisingly really helped me to concentrate and focus. Also gives me some energy which I always need a little extra. Also it's easy on the stomach so I'm satisfied with this product and will start subscribing to it to receive on a monthly basis.

For some reason lately my brain has been feeling kind of foggy like that groggy feeling like I've woken up from a long nap. This brain focus booster supplement has given me noticeable energy and focus. I just don't take it at night so that I can sleep!
