Definitely worth it!

April 30, 2019

Color: Mct **Verified Purchase**

I have Lupus and horrible fatigue. I have been researching natural supplements for energy. I know MCT oil is often used with the keto diet. I don't follow that diet but wanted to see if I could get an energy boost. The first morning I took it I felt a little shaky, but not bad. 2 weeks in and I'm so happy I purchased this

Delicious!

February 19, 2019

Color: Hair Skin Nail **Verified Purchase**

One of the most important supplements to take if you're someone who takes care of their appearance is a good Hair, Skin and Nails compound. This compound hits all the right metrics - it has biotin, vitamin D3, B6 and vitamin E, along with a few other compounds to round out the mix. The best part - they're delicious! Seriously makes part of the daily experience of throwing back supplements a little easier when it's almost a snack to keep on your desk.

So far very happy with product

May 11, 2019

Color: Mct **Verified Purchase**

I was having difficulty controlling my cravings. I Was exercising daily but not losing weight because I was eating too much and snacking too often. It's only week one but I have been taking the mct oil capsule daily and I have found I am not experiencing the cravings so I go longer between eating and find I am satisfied more easily and eating less overall. So far very happy, my scale finally budged in the downward motion for the first time in months and I am not feeling tired or run down.

Solid product - increases clarity and focus

February 19, 2019

Color: Focus **Verified Purchase**

Great product. I've tried a few "focus" and "concentration" nootropics in the past but was always thrown off by having to mix gross-tasting powders into water, and getting uneven results. These capsules are easy and very effective. I definitely felt the difference on my first day trying it, and I'm feeling more locked-in to the projects I'm working on. I also feel a slight mood boost, but that might just be the joy of productivity :)

Amazing Vitamins!

February 12, 2019

Color: Mct **Verified Purchase**

I've been taking MCT oil for years now and I have to say that these soft gels are my new favorite choice. I take 1 capsule a day and I cannot help, but love the added energy and focus. I find these soft gels to be exceptionally convenient for travel. With the capsules, I no longer have to taste the MCT oil (which was a big issue in the past). If you're looking for a boost of clean energy to add to your KETO lifestyle and diet, look no further!!

No Bad Taste

February 14, 2019

Color: Apple Cider Vinegar **Verified Purchase**

I have used a few different Apple Cider Vinegar supplements and not seen results like I have with this one. I have experienced a MASSIVE improvement in digestion. I have also seen improvement in recovery time after CrossFit workouts and have even slept better. Cannot recommend this supplement enough.

Everyone knows how good Apple Cider is for you, but after a few days, I gave up drinking it because not only was it giving me horrible heart burn, I just couldn't stomach the taste anymore! I just ordered my second bottle. If you care about your health, this supplement should be one of your staples! Quick delivery and customer service is great too! I highly recommend it! Two thumbs up!!! :))
