That's how many *all-expenses-paid* vacations we've earned in the last 4 & 1/2 years with Le-Vel!

Just 15 days from now we will hop on a plane with our team and be on our way to the Hard Rock Resort in Riviera Maya, Mexico!

Surprise Party 🎉

..... All on Le-Vel's tab! ✓ I'm so glad we stumbled upon this company when we did. I didn't even know opportunities like this existed. I did know that I was worth more than just a couple of unpaid vacation days a year.

I did know that I was worth more than just a couple of unpaid vacation days a year. Had I settled, there wouldn't have been enough time or money to see all of the beautiful places we've been spoiled to see with Le-Vel! They truly treat us like royalty 👑 . Honey, it is not too late. New people are joining us every trip. 👯 . When it's your time, say something. You can sit with us!
