Experience and felt amazing . . . I decided I would "try" it, however I kept all the other vitamins for 6 months, just in case . . . Whoa, was I blown away ~ I FELT these vitamins 100 ! Within a few days, I wasn't crashing in the afternoon, had no desire for coffee, generalized aches calming, slept like a baby, awoke rested, felt motivated , my thinking was clearer, and overall, "I AM healthy and feel amazing"! My immune system is supported, I have smooth energy everyday and all day, my workouts are on fire. This is not a fad, this is a lifestyle!
