**lydiamarielaws** Today is the perfect day for you to open a new door! It may be just what you have been looking for. When I found this industry I was so uncertain, but I saw others finding success and feeling amazing with these 3 steps so I jumped in! Why?

I WAS EXHAUSTED for starters! And needed something simple!

I found a lot of others were like me... they were tired, needed to sleep better, needed nutrition, help with cravings, focus, better recovery after workouts, or maybe they needed groceries, diapers, dance lessons or pay for baseball for their kids, maybe they just want to be able to have some extra wiggle room or take a family vacation!!  
This is the deal you don't have to wait

This is the deal, you don't have to quit your job to have extra! I am so thankful I opened the door! And this is what has happened in our tribe lately..... 20 of our tribe have earned \$800 a month towards their luxury vehicle or \$300 towards vehicle of their choice. 128 have earned themselves \$1320 in their first 14 days and are thriving free! Many fall off. Many join. Many quit. Many don't. Many get discouraged. Many hustle. Many complain. Many just make it happen. Not everyone is made for this industry. But everyone can do it! Self discipline. Self motivation.

Self discipline.  
Self motivation.  
Drive.  
Grit & Grace.  
Over and over and over again.  
And guess what, you will have set  
backs, you have to be willing to keep  
on going when things get hard.  
Where I started.....  
No network, No team, No sales,  
juggling twins with a traveling husband,  
but was feeling amazing with what I  
had my hands on!!! Anyone can do this,  
but not everyone will.  
Will you? •
