jenna_halverson When people ask if I'm still thriving, and why I do.....I can tell you, but it's easier to show you. Premium Nutrition from @le_velofficial that is as convenient as it gets, has helped me loose the weight, keep it off, and stay feeling my best. One of my "dreams" in my @thestarttodaybrand journal is "I am my healthiest version of me- MS DOES NOT WIN!" Well, 3 years later, I feel I am living that dream daily, in part because of the benefits of the #thriveexperience and in part because of Dave and Rachel's #fivetothrive, I truly am "My Healthiest Version of Me"! We're still in the #last90dayschallenge , so hop on board with me, and in the words of @mrdavehollis "LETSSS GOOO!" @msrachelhollis @theholliscompany @paul_gravette
