17	I. INTRODUCTION				
18	Plaintiff Glow Medispa, LLC ("Glow Medispa"), individually and on behalf of all other				
19	similarly situated members of the defined national class and Washington State sub-classes (the				
20	"Class Members"), by and through the undersigned attorneys, brings this class action against				
21	Defendant Sentinel Insurance Company, Limited ("Sentinel or "Defendant") and alleges as				
22	follows based on personal knowledge and information and belief:				
23	II. JURISDICT	TION AND VENUE			
24	1. This Court has subject matter juri	sdiction pursuant to t	he Class Action Fairness		
25	Act of 2005, 28 U.S.C. § 1332(d), because at lea	st one member of the	proposed Class and

and subclass each consist of more than 100 class members, and the aggregate amount in controversy exceeds \$5,000,000. The Court has supplemental jurisdiction over Plaintiff's state law claims under 28 U.S.C. § 1367.

2. This Court has personal jurisdiction over Defendant because Defendant registered to do business in Washington, has sufficient minimum contacts in Washington, and otherwise intentionally avails itself of the markets within Washington through its business activities, such that the exercise of jurisdiction by this Court is proper. Moreover, the claims of Plaintiff and all of the Washington subclass members in this case arise out of and directly relate to Defendant's contacts with Washington.

3. Venue is proper in this District pursuant to 28 U.S.C. § 1391(b)(3) because the Court has personal jurisdiction over Defendant, a substantial portion the alleged wrongdoing occurred in this District and the state of Washington, and Defendant has sufficient contacts with this District and the state of Washington.

4. Venue is proper in the Western District of Washington pursuant to 28 U.S.C. § 1391(b)(2) because a substantial part of the events or omissions giving rise to the claims at issue in this Complaint arose in this District. Plaintiff's place of business is located in Seattle and Kirkland, King County. This action is therefore appropriately filed in the Seattle Division because a substantial portion of the events giving rise to this lawsuit arose in King County.

Thereafter, he issued a series of certain proclamations and orders affecting many persons and businesses in Washington, whether infected with COVID-19 or not, requiring certain public health precautions.

18. On March 16, 2020, Governor Inslee issued Proclamation 20-14, "Reduction of Statewide Limits on Gatherings." "all non-essential businesses in Washington State from conducting business, within the limitations provided herein."

20. Governor Inslee has extended Proclamation 20-25 until May 31, 2020.

21. Plaintiff was not designated to be an "essential business" by Governor Inslee.

22. By order of Governor Inslee, medical spas including Plaintiff were prohibited

from operating their businesses except according to the terms of the proclamations and orders.

23. Since March 17, 2020, Plaintiff's business has suffered a suspension.

24. Plaintiff has not been able to use its business for its insured purpose of providing medical spa and skin care services to the extent for which Sentinel has insured its premises.

25. No COVID-19 virus has been detected on Plaintiff's business premises.

26. Plaintiff's property has sustained direct physical loss and/or damage related to COVID-19 and/or the proclamations and orders.

27. Plaintiff's property will continue to sustain direct physical loss or damage covered by the Sentinel policy or policies, including but not limited to business interruption, extra expense, interruption by civil authority, and other expenses.

28. Plaintiff's property cannot be fully used for its intended purposes.

29. As a result of the above, Plaintiff has experienced and will experience loss covered by the Sentinel policy or policies.

30. Plaintiff submitted a claim to Sentinel for losses covered by the Policy. Sentinel denied coverage.

31. Upon information and belief, Sentinel has denied and will deny all similar claims for coverage.

immediate family members of such officers and staff. Plaintiff reserves the right to amend the Class definition based on information obtained in discovery.

35. This action may properly be maintained on behalf of each proposed Class under the criteria of Rule 23 of the Federal Rules of Civil Procedure.

36. **Numerosity**: The members of the Class are so numerous that joinder of all members would be impractical. Plaintiff is informed and believes that each proposed Class and Subclass contains thousands of members. The precise number of class members can be ascertained through discovery, which will include Defendant's records of policyholders.

37. **Commonality and Predominance**: Common questions of law and fact predominate over any questions affecting only individual members of the Class. Common questions include, but are not limited to, the following:

Whether the class members suffered covered losses based on common A. policies issued to members of the Class and Subclass;

Β. Whether Sentinel acted in a manner common to the Class and Subclass by wrongfully denying claims for coverage relating to COVID-19 and/or orders issued by Governor Inslee, other Governors, and/or other civil authorities;

C. Whether Business Income coverage in Sentinel's policies of insurance applies to a suspension of practice relating to COVID-19 and/or orders issued by Governor Inslee, other Governors, and/or other civil authorities;

D. Whether Extended Business Income coverage in Sentinel's policies of insurance applies to a suspension of practice relating to COVID-19 and/or orders issued by Governor Inslee, other Governors, and/or civil authorities;

E. Whether Extra Expense coverage in Sentinel's policies of insurance applies to efforts to minimize a loss relating to COVID-19 and/or orders issued by Governor Inslee, other Governors, and/or other civil authorities;

F. Whether Civil Authority coverage in Sentinel's policies of insurance applies to a suspension of practice relating to COVID-19 and/or orders issued by Governor Inslee, other Governors, and/or civil authorities;

G. Whether Sentinel has breached its contracts of insurance through a blanket
denial of all claims based on business interruption, income loss or closures related to
COVID-19 and/or orders issued by Governor Inslee, other Governors, and/or other civil
authorities;

H. Whether, because of Defendant's conduct, Plaintiff and the class members have suffered damages; and if so, the appropriate amount thereof; and

I. Whether, because of Defendant's conduct, Plaintiff and the class members are entitled to equitable and declaratory relief, and if so, the nature of such relief.

38. **Typicality**: Plaintiff's claims are typical of the claims of the members of the classes. Plaintiff and all the members of the classes have been injured by the same wrongful practices of Sentinel. Plaintiff's claims arise from the same practices and course of conduct that give rise to the claims of the members of the Class and Subclass and are based on the same legal theories.

39. Adequacy: Plaintiff will fully and adequately assert and protect the interests of the classes and has retained class counsel who are experienced and qualified in prosecuting class actions. Neither Plaintiff nor its attorneys have any interests contrary to or in conflict with the Class or Subclass.

COMPLAINT—CLASS ACTION - 11

KELLER ROHRBACK L.L.P.

40. Federal Rule of Civil Procedure 23(b)(1), the Risk of Inconsistent or Varying Adjudications and Impairment to Other Class Members' Interests: Plaintiff seeks adjudication as to the interpretation, and resultant scope, of Defendant's policies, which are common to all members of the Class and Subclass. The prosecution of separate actions by individual members of the classes would risk inconsistent or varying interpretations of those policy terms and create inconsistent standards of conduct for Defendant. The policy interpretations sought by Plaintiff could also impair the ability of absent class members to protect their interests.

41. **Federal Rule of Civil Procedure 23(b)(2), Declaratory and Injunctive Relief**: Defendant acted or refused to act on grounds generally applicable to Plaintiff and other members of the proposed classes making injunctive relief and declaratory relief appropriate on a classwide basis.

42. Federal Rule of Civil Procedure 23(b)(3), Superiority: A class action is superior to all other available methods of the fair and efficient adjudication of this lawsuit. While the aggregate damages sustained by the classes are likely to be in the millions of dollars, the individual damages incurred by each class member may be too small to warrant the expense of individual suits. Individual litigation creates a risk of inconsistent and/or contradictory decisions and the court system would be unduly burdened by individual litigation of such cases. A class action would result in a unified adjudication, with the benefits of economies of scale and supervision by a single court.

#### **INSTRUCTIONS FOR ATTORNEYS COMPLETING CIVIL COVER SHEET FORM JS 44**

Authority For Civil Cover Sheet

The JS 44 civil cover sheet and the information contained herein neither replaces nor supplements the filings and service of pleading or other papers as required by law, except as provided by local rules of court. This form, approved by the Judicial Conference of the United States in September 1974, is required for the use of the Clerk of Court for the purpose of initiating the civil docket sheet. Consequently, a civil cover sheet is submitted to the Clerk of Court for each civil complaint filed. The attorney filing a case should complete the form as follows:

- **I.(a) Plaintiffs-Defendants.** Enter names (last, first, middle initial) of plaintiff and defendant. If the plaintiff or defendant is a government agency, use only the full name or standard abbreviations. If the plaintiff or defendant is an official within a government agency, identify first the agency and then the official, giving both name and title.
- (b) County of Residence. For each civil case filed, except U.S. plaintiff cases, enter the name of the county where the first listed plaintiff resides at the time of filing. In U.S. plaintiff cases, enter the name of the county in which the first listed defendant resides at the time of filing. (NOTE: In land condemnation cases, the county of residence of the "defendant" is the location of the tract of land involved.)
- (c) Attorneys. Enter the firm name, address, telephone number, and attorney of record. If there are several attorneys, list them on an attachment, noting in this section "(see attachment)".

**II.** Jurisdiction. The basis of jurisdiction is set forth under Rule 8(a), F.R.Cv.P., which requires that jurisdictions be shown in pleadings. Place an "X" in one of the boxes. If there is more than one basis of jurisdiction, precedence is given in the order shown below.

United States plaintiff. (1) Jurisdiction based on 28 U.S.C. 1345 and 1348. Suits by agencies and officers of the United States are included here. United States defendant. (2) When the plaintiff is suing the United States, its officers or agencies, place an "X" in this box.

Federal question. (3) This refers to suits under 28 U.S.C. 1331, where jurisdiction arises under the Constitution of the United States, an amendment to the Constitution, an act of Congress or a treaty of the United States. In cases where the U.S. is a party, the U.S. plaintiff or defendant code takes precedence, and box 1 or 2 should be marked.

Diversity of citizenship. (4) This refers to suits under 28 U.S.C. 1332, where parties are citizens of different states. When Box 4 is checked, the citizenship of the different parties must be checked. (See Section III below; **NOTE: federal question actions take precedence over diversity cases.**)

- **III. Residence (citizenship) of Principal Parties.** This section of the JS 44 is to be completed if diversity of citizenship was indicated above. Mark this section for each principal party.
- IV. Nature of Suit. Place an "X" in the appropriate box. If there are multiple nature of suit codes associated with the case, pick the nature of suit code that is most applicable. Click here for: <u>Nature of Suit Code Descriptions</u>.
- V. Origin. Place an "X" in one of the seven boxes.

Original Proceedings. (1) Cases which originate in the United States district courts.

Removed from State Court. (2) Proceedings initiated in state courts may be removed to the district courts under Title 28 U.S.C., Section 1441. Remanded from Appellate Court. (3) Check this box for cases remanded to the district court for further action. Use the date of remand as the filing date.

Reinstated or Reopened. (4) Check this box for cases reinstated or reopened in the district court. Use the reopening date as the filing date. Transferred from Another District. (5) For cases transferred under Title 28 U.S.C. Section 1404(a). Do not use this for within district transfers or multidistrict litigation transfers.

Multidistrict Litigation – Transfer. (6) Check this box when a multidistrict case is transferred into the district under authority of Title 28 U.S.C. Section 1407.

Multidistrict Litigation – Direct File. (8) Check this box when a multidistrict case is filed in the same district as the Master MDL docket. **PLEASE NOTE THAT THERE IS NOT AN ORIGIN CODE 7.** Origin Code 7 was used for historical records and is no longer relevant due to changes in statue.

- VI. Cause of Action. Report the civil statute directly related to the cause of action and give a brief description of the cause. Do not cite jurisdictional statutes unless diversity. Example: U.S. Civil Statute: 47 USC 553 Brief Description: Unauthorized reception of cable service
- VII. Requested in Complaint. Class Action. Place an "X" in this box if you are filing a class action under Rule 23, F.R.Cv.P. Demand. In this space enter the actual dollar amount being demanded or indicate other demand, such as a preliminary injunction. Jury Demand. Check the appropriate box to indicate whether or not a jury is being demanded.
- VIII. Related Cases. This section of the JS 44 is used to reference related pending cases, if any. If there are related pending cases, insert the docket numbers and the corresponding judge names for such cases.

Date and Attorney Signature. Date and sign the civil cover sheet.

13	SENTINEL INSURANCE COMPANY,

15	Defendant.				
16	The below-listed cases against Hartford Casualty Insurance Company and Sentinel				
17	Insurance Company involve similar claims and arise out of similar policy forms used by				
18	Hartford-related insurers as the above captioned-action. All five actions are against an insurer				
19	within the same Hartford corporate family. On information and belief, the ultimate corporate				
20	parent of both Sentinel Insurance Company, Limited and Hartford Casualty Insurance Company				
21					
22	is The Hartford Financial Services Group, Inc. In addition to similar claims against a similar or				
23 24	affiliated defendant, there is also a similar nature of relief requested by the plaintiff in the above-				
24 25	captioned action and the cases listed below. Accordingly, it appears likely that there could be an				
23 26	unduly burdensome duplication of labor and expense and potential for conflicting results if the

cases listed below are conducted before different judges.
