14 FRANCIS RUIZ, individually and on
15 behalf of all others similarly situated,

16 Plaintiff,

17 v.

18 MAGIC MOUNTAIN LLC, SIX FLAGS
19 THEME PARKS INC., and SIX FLAGS
20 ENTERTAINMENT CORPORATION,

21 Defendants.

22 Case No. 2:20-cv-03436

23 **CLASS ACTION COMPLAINT**

24 **JURY TRIAL DEMANDED**

1 Plaintiff Francis Ruiz (“Plaintiff”) brings this action on behalf of himself and all
2 others similarly situated against Defendants Magic Mountain, LLC, Six Flags Theme
3 Parks Inc., and Six Flags Entertainment Corporation (“Six Flags” or “Defendants”).
4 Plaintiff makes the following allegations pursuant to the investigation of his counsel
5 and based upon information and belief, except as to the allegations specifically
6 pertaining to himself, which are based on personal knowledge.

7 **FACTS COMMON TO ALL CAUSES OF ACTION**

8 1. Six Flags has made the unconscionable decision to keep charging its
9 hundreds of thousands of membership and season pass holders monthly membership
10 fees while closing 100 percent of its theme parks as the novel coronavirus, COVID-
11 19, rages throughout the world and the United States economy has gone into a deep
12 recession.

13 2. Six Flags is the “largest regional theme park operator in the world and
14 the largest operator of waterparks in North America based on the number of parks ...
15 operate[d]. Of [its] 26 regional theme parks and waterparks, 23 are located in the
16 United States, two are located in Mexico and one is located in Montreal, Canada.”¹
17 Four of these parks are located in California, including Six Flags Magic Mountain
18 and Six Flags Hurricane Harbor outside of Los Angeles, and are open every day of
19 the year.²

20 3. To access Defendants’ parks, the vast majority of customers sign up for
21 (1) a monthly membership, paying a set fee every month along with an initiation fee,
22 or (2) a season membership that must be renewed.³ Monthly membership fees range

25 ² <https://www.latimes.com/business/la-fi-six-flags-365-days-20170823-story.html>

26 ³ Per Defendants’ February 22, 2020 Annual Report, 2019 park attendance was
27 32,811,000. Annual Report at 40. “Season pass and membership attendance
28 constituted approximately 63% of the total attendance at [Defendants’] parks in each
of 2019, 2018 and 2017.” Annual Report at 61.

1 between \$7.85 to \$42 per month depending on level purchased and any applicable
2 incentives. A season membership ranges between \$240 to \$505. Some customers
3 instead choose to pre-purchase single-use tickets to access Defendants' theme parks
4 on a single occasion.

5 4. To sign up for Defendants' memberships and passes, customers provide
6 Defendants with their credit card or debit card information. Defendants then
7 automatically charge their customers' credit or debit cards as payments are due on a
8 monthly basis.

9 5. On March 13, 2020, Defendant announced that all of its parks –
10 including Magic Mountain outside of Los Angeles – would be closed through the
11 end of March due to COVID-19.⁴ On March 30, 2020, Defendant “announced that
12 all the company’s parks will remain closed until mid-May, or as soon as possible
13 thereafter, reflecting federal and local restrictions in place to mitigate the spread of
14 COVID-19.”⁵

15 6. However, unlike other companies, Defendants continued charging their
16 customers full price monthly payments fees even though every park they own is
17 closed through at least mid-May. Defendants have also refused to reimburse pre-
18 paid customers for the time they were unable to access the parks, instead choosing to
19 extend passes “for the number of operating days the park is temporarily closed” and
20 provide “one additional month for each month that the park is closed.” Per Magic

Six Flags Magic Mountain and Hurricane Harbor Announce Temporary Closure

The Parks Remain Committed to the Health and Safety of Park Guests and Team Members

LOS ANGELES, Calif. — March 30, 2020 – Six Flags Magic Mountain and Hurricane Harbor have temporarily suspended operations and will open in mid-May, or as soon as possible thereafter. While there have been no reported cases of COVID-19 at the properties, the safety of our guests and team members is always our highest priority. We will continue to closely monitor this evolving situation, and follow the most current guidance from federal, state, and local officials.

For guests with prepaid tickets, the valid dates have been extended to the end of the 2020 season. For current 2020 Season Pass Holders, passes will be extended for the number of operating days the park is temporarily closed. Six Flags Magic Mountain Members will receive one additional month for each month that the park is closed, plus a free Membership level upgrade for the rest of the 2020 Season (and/or other bonus benefits, as applicable).

7. Defendants are able to unilaterally charge their customers monthly fees without their consent, as they are in possession of their customers' debit and credit card information. Thus, Defendants have made the deliberate decision to bilk their customers on a monthly basis as the country is effectively shut down.

8. The sole reason Defendants' customers pay monthly membership fees is to have *access* to Defendants' parks, which for some parks is advertised as being available every day of the year. Now, however, Defendants are charging their customers full price while denying customers all access to all parks nationwide, while simultaneously refusing to reimburse customers for payments already made while parks are closed.

9. Plaintiff seeks relief in this action individually, and on behalf of all of Defendants' customers nationwide that have paid or were charged fees while

1 Defendants' parks were closed for violations of the California Consumer Legal
2 Remedies Act ("CLRA"), Civil Code §§ 1750, *et seq.*, Unfair Competition Law
3 ("UCL"), Bus. & Prof. Code §§ 17200, *et seq.*, False Advertising Law ("FAL"), Bus.
4 & Prof. Code §§ 17500, *et seq.*, for breach of express warranties, negligent
5 misrepresentation, fraud, unjust enrichment, money had and received, conversion,
6 and breach of contract.

7 PARTIES

8 10. Plaintiff Frankie Ruiz is a citizen of California, residing in Los Angeles.
9 Mr. Ruiz currently holds a monthly membership with Defendants for access to their
10 parks, paying \$9.95 per month on a month-to-month basis. Plaintiff has been a
11 month-to-month member since at least 2019. On March 13, 2020, Defendants closed
12 all of their parks nationwide, including the Magic Mountain in Valencia, CA that
13 Plaintiff attended. However, on March 30, 2020, Defendants charged Plaintiff's card
14 in the full amount of his month-to-month membership – \$9.95 – even though
15 Plaintiff does not have access to any of Defendants' parks. Further, Defendants have
16 not refunded Plaintiff any part of his monthly fee for March 13 to date, when
17 Defendants' parks were closed. Upon learning this, Plaintiff contacted Six Flags for
18 a refund but was denied. Plaintiff signed up for Defendants' month-to-month
19 membership with the belief and on the basis that he would have access to
20 Defendants' parks every day of the year. Plaintiff would not have paid for the
21 membership, or would not have paid for it on the same terms, had he known that he
22 would not have access to any of Defendants' parks. Plaintiff continues to face
23 imminent harm, as Defendants continue charging their customers monthly fees while
24 all of their parks remain closed.

25 11. Defendant Magic Mountain LLC, is a California limited liability
26 company with its principal place of business located at 26101 Magic Mountain
27 Parkway, Valencia CA 91355.

1 18. Plaintiff also seeks to represent a subclass defined as all members of the
2 Class who were charged fees for memberships while Defendants' parks were closed
3 in California (the "California Subclass").

4 19. Plaintiff reserves the right to amend or modify the Class definition with
5 greater specificity or further division into subclasses or limitation to particular issues
6 as discovery and the orders of this Court warrant.

7 20. Excluded from the Class are the Defendants, the officers and directors
8 of the Defendants at all relevant times, members of their immediate families and
9 their legal representatives, heirs, successors or assigns and any entity in which any
10 Defendants have or had a controlling interest.

11 21. Plaintiff is a member of the Class and California Subclass he seeks to
12 represent.

13 22. Defendants have millions of customers nationwide that have paid or
14 were charged fees while Defendants' parks were closed. Accordingly, members of
15 the Class are so numerous that their individual joinder herein is impracticable. The
16 precise number of Class members and their identities are unknown to Plaintiff at this
17 time but may be determined through discovery. Class members may be notified of
18 the pendency of this action by mail and/or publication through the distribution
19 records of Defendants.

20 23. Common questions of law and fact exist as to all Class members and
21 predominate over questions affecting only individual Class members. Common legal
22 and factual questions include, but are not limited to whether Defendants have
23 breached their contracts with their customers and whether their actions are fraudulent
24 and unlawful.

25 24. The claims of the named Plaintiff are typical of the claims of the Class
26 in that the named Plaintiff was exposed to Defendants' false and misleading
27
28

1 advertising and was charged membership fees despite being barred from entry into
2 Defendants' parks, and suffered losses as a result.

3 25. Plaintiff is an adequate representative of the Class because his interests
4 do not conflict with the interests of the Class members he seeks to represent, he has
5 retained competent counsel experienced in prosecuting class actions, and he intends
6 to prosecute this action vigorously. The interests of Class members will be fairly and
7 adequately protected by Plaintiff and his counsel.

8 26. The class mechanism is superior to other available means for the fair
9 and efficient adjudication of the claims of the Class members. Each individual Class
10 member may lack the resources to undergo the burden and expense of individual
11 prosecution of the complex and extensive litigation necessary to establish
12 Defendants' liability. Individualized litigation increases the delay and expense to all
13 parties and multiplies the burden on the judicial system presented by the complex
14 legal and factual issues of this case. Individualized litigation also presents a
15 potential for inconsistent or contradictory judgments. In contrast, the class action
16 device presents far fewer management difficulties and provides the benefits of single
17 adjudication, economy of scale, and comprehensive supervision by a single court on
18 the issue of Defendants' liability. Class treatment of the liability issues will ensure
19 that all claims and claimants are before this Court for consistent adjudication of the
20 liability issues.

21 **COUNT I**

22 **Violation of California's Consumers Legal Remedies Act,**
23 **California Civil Code §§ 1750, *et seq.***
24 **(Injunctive Relief Only)**

25 27. Plaintiff hereby incorporates by reference the allegations contained in
26 all preceding paragraphs of this complaint.

27 28. Plaintiff brings this claim individually and on behalf of members of the
28 proposed California Subclass against Defendants.

1 29. Plaintiff and Class members are consumers who paid monthly fees for
2 memberships or season passes that allow access to and use of Defendants’ theme
3 parks for personal, family or household purposes. Plaintiff and the Class are
4 “consumers” as that term is defined by the CLRA in Cal. Civ. Code § 1761(d).

5 30. Access to Defendants’ theme parks that Plaintiff and Class members
6 purchased from Defendants was a “service” within the meaning of Cal. Civ. Code §
7 1761(b).

8 31. Defendants’ actions, representations, and conduct have violated, and
9 continue to violate the CLRA, because they extend to transactions that intended to
10 result, or which have resulted in, the sale of services to consumers.

11 32. Defendants’ advertising that their theme parks, including Magic
12 Mountain, would be accessible every day of the year, and that their customers would
13 have access to their parks upon paying a membership fee is false and misleading to
14 reasonable consumers, including Plaintiff, because Defendants in fact closed all of
15 their parks while continuing to charge their customers the full price of membership.

16 33. California’s Consumers Legal Remedies Act, Cal. Civ. Code §
17 1770(a)(5), prohibits “[r]epresenting that goods or services have sponsorship,
18 approval, characteristics, ingredients, uses, benefits, or quantities which they do not
19 have or that a person has a sponsorship, approval, status, affiliation, or connection
20 which he or she does not have.” By engaging in the conduct set forth herein,
21 Defendants violated and continue to violate Section 1770(a)(5) of the CLRA,
22 because Defendants’ conduct constitutes unfair methods of competition and unfair or
23 fraudulent acts or practices, in that Defendants misrepresent the particular
24 characteristics, benefits and quantities of the services.

25 34. Cal. Civ. Code § 1770(a)(7) prohibits representing that goods or
26 services are of a particular standard, quality, or grade, or that goods are of a
27 particular style or model, if they are of another. By engaging in the conduct set forth
28

1 herein, Defendants violated and continues to violate Section 1770(a)(7) of the
2 CLRA, because Defendants' conduct constitutes unfair methods of competition and
3 unfair or fraudulent acts or practices, in that Defendants misrepresent the particular
4 standard, quality or grade of the services.

5 35. Cal. Civ. Code § 1770(a)(9) further prohibits "[a]dvertising goods or
6 services with intent not to sell them as advertised." By engaging in the conduct set
7 forth herein, Defendants violated and continue to violate Section 1770(a)(9), because
8 Defendants' conduct constitutes unfair methods of competition and unfair or
9 fraudulent acts or practices, in that Defendants advertise services with the intent not
10 to sell the services as advertised.

11 36. Plaintiff and the Class acted reasonably when they purchased
12 Defendants' park membership on the belief that Defendants' representations were
13 true and lawful.

14 37. Plaintiff and the Class suffered injuries caused by Defendants because
15 (a) they would not have purchased or paid for Defendants' park memberships absent
16 Defendants' representations and omission of a warning that it would continue
17 charging customers' credit cards and debit cards while all parks nationwide are
18 closed; (b) they would not have purchased park memberships on the same terms
19 absent Defendants' representations and omissions; (c) they paid a price premium for
20 Defendants' park membership based on Defendants' misrepresentations and
21 omissions; and (d) Defendants' park memberships did not have the characteristics,
22 benefits, or quantities as promised.

23 38. Under California Civil Code § 1780(a), Plaintiff and members of the
24 Class seek injunctive and equitable relief for Defendants' violations of the CLRA.
25 Plaintiff mailed an appropriate demand letter consistent with California Civil Code §
26 1782(a). If Defendants fail to take corrective action within 30 days of receipt of the
27
28

1 demand letter, Plaintiff will amend the complaint to include a request for damages as
2 permitted by Civil Code § 1782(d).

3 39. Wherefore, Plaintiff seeks injunctive and equitable relief for these
4 violations of the CLRA.

5 **COUNT II**

6 **Violation of California’s Unfair Competition Law,
7 California Business & Professions Code §§ 17200, *et seq.***

8 40. Plaintiff hereby incorporates by reference the allegations contained in
9 all preceding paragraphs of this complaint.

10 41. Plaintiff brings this claim individually and on behalf of the members of
11 the proposed Class against Defendants. Plaintiff also brings this claim individually
12 and on behalf of members of the proposed California Subclass against Defendant.

13 42. Defendants are subject to California’s Unfair Competition Law, Cal.
14 Bus. & Prof. Code §§ 17200, *et seq.* The UCL provides, in pertinent part: “Unfair
15 competition shall mean and include unlawful, unfair or fraudulent business practices
16 and unfair, deceptive, untrue or misleading advertising”

17 43. Defendants’ advertising that their parks would be available every day of
18 the year, and that their customers would have access to the parks upon paying a
19 membership fee is false and misleading to a reasonable consumer, including
20 Plaintiff, because Defendants in fact closed all of their parks while continuing to
21 charge their customers the full price of park membership.

22 44. Defendants’ business practices, described herein, violated the
23 “unlawful” prong of the UCL by violating the CLRA, and the FAL, and other
24 applicable law as described herein.

25 45. Defendants’ business practices, described herein, violated the “unfair”
26 prong of the UCL in that their conduct is substantially injurious to consumers,
27 offends public policy, and is immoral, unethical, oppressive, and unscrupulous, as
28 the gravity of the conduct outweighs any alleged benefits. Defendants’ advertising

1 and their charging of membership fees while their parks are closed is of no benefit to
2 consumers.

3 46. Defendants violated the fraudulent prong of the UCL by misleading
4 Plaintiff and the Class to believe that they would only be charged fees when they
5 would have access to Defendants' parks.

6 47. Plaintiff and the Class acted reasonably when they signed up for
7 memberships based on the belief that they would only be charged fees when
8 Defendants' parks were open and accessible.

9 48. Plaintiff and the Class lost money or property as a result of Defendants'
10 UCL violations because (a) they would not have purchased or paid for Defendants'
11 park memberships absent Defendants' representations and omission of a warning
12 that it would continue charging customers' credit cards and debit cards while all
13 parks nationwide are closed; (b) they would not have purchased parks memberships
14 on the same terms absent Defendants' representations and omissions; (c) they paid a
15 price premium for Defendants' park membership based on Defendants'
16 misrepresentations and omissions; and (d) Defendants' park memberships did not
17 have the characteristics, benefits, or quantities as promised.

18 **COUNT III**

19 **Violation of California's False Advertising Law,
20 California Business & Professions Code §§ 17500, *et seq.***

21 49. Plaintiff hereby incorporates by reference the allegations contained in
22 all preceding paragraphs of this complaint.

23 50. Plaintiff brings this claim individually and on behalf of the members of
24 the proposed Class against Defendants. Plaintiff also brings this claim individually
25 and on behalf of the members of the proposed California Subclass against
26 Defendants.

27 51. California's False Advertising Law, Cal. Bus. & Prof. Code §§ 17500,
28 *et seq.*, makes it "unlawful for any person to make or disseminate or cause to be

1 made or disseminated before the public in this state, ... in any advertising device ... or
2 in any other manner or means whatever, including over the Internet, any statement,
3 concerning ... personal property or services, professional or otherwise, or
4 performance or disposition thereof, which is untrue or misleading and which is
5 known, or which by the exercise of reasonable care should be known, to be untrue or
6 misleading.”

7 52. Defendants engaged in a scheme of charging customers full monthly
8 membership fees while 100 percent of their parks were closed. Defendants’
9 advertising and marketing of their parks as being accessible every day of the year
10 misrepresented and/or omitted the true content and nature of Defendants’ services.
11 Defendants’ advertisements and inducements were made in and originated from
12 California and come within the definition of advertising as contained in Bus. & Prof.
13 Code § 17500, *et seq.* in that the promotional materials were intended as
14 inducements to purchase park memberships, and are statements disseminated by
15 Defendants to Plaintiff and Class members. Defendants knew that these statements
16 were unauthorized, inaccurate, and misleading.

17 53. Defendants’ advertising that their parks would be available to their
18 customers every day of the year, and that their customers would have access to their
19 parks upon paying a membership fee is false and misleading to reasonable
20 consumers, including Plaintiff, because Defendants in fact closed all of their parks
21 while continuing to charge their customers the full price of park membership.

22 54. Defendants violated § 17500, *et seq.* by misleading Plaintiff and the
23 Class to believe that they would be charged fees only when they have access to
24 Defendants’ parks.

25 55. Defendants knew or should have known, through the exercise of
26 reasonable care that their advertising of their parks as being accessible every day of
27 the year is false and misleading. Further, Defendants knew or should have known
28

1 that they were breaching their contracts with their customers and fraudulently
2 charging fees when they continued charging fees while all of their parks were closed.

3 56. Plaintiff and the Class lost money or property as a result of Defendants'
4 FAL violation because (a) they would not have purchased or paid for Defendants'
5 park memberships absent Defendants' representations and omission of a warning
6 that it would continue charging customers' credit cards and debit cards while all
7 parks nationwide are closed; (b) they would not have purchased park memberships
8 on the same terms absent Defendants' representations and omissions; (c) they paid a
9 price premium for Defendants' park membership based on Defendants'
10 misrepresentations and omissions; and (d) Defendants' park memberships did not
11 have the characteristics, benefits, or quantities as promised.

12 **COUNT IV**
13 **Breach of Express Warranty**

14 57. Plaintiff hereby incorporates by reference the allegations contained in
15 all preceding paragraphs of this complaint.

16 58. Plaintiff brings this claim individually and on behalf of the members of
17 the proposed Class against Defendants. Plaintiff also brings this claim individually
18 and on behalf of the members of the proposed California Subclass against
19 Defendants.

20 59. In connection with the sale of park memberships, Defendants issue an
21 express warranty that Defendants' parks are accessible every day of the year,
22 excluding select holidays.

23 60. Defendants' affirmation of fact and promise in Defendants' marketing
24 and signage became part of the basis of the bargain between Defendants and Plaintiff
25 and Class members, thereby creating express warranties that the services would
26 conform to Defendants' affirmation of fact, representations, promise, and
27 description.

7 and on behalf of the members of the proposed California Subclass against
8 Defendants.

9 84. Defendants received money in the form of membership fees that were
10 intended to be used for the benefit of Plaintiff and the Class, those membership fees
11 were not used for the benefit of Plaintiff and the Class, and Defendants have not
12 given back or refunded the wrongfully obtained money and membership fees to
13 Plaintiff and the Class.

14 85. Defendants obtained roughly money in the form of membership fees
15 that were intended to be used to provide park access to Plaintiff and the Class.
16 However, Defendants have retained all of the membership fees while 100 percent of
17 their parks were and remain closed.

24 Defendants.

25 88. Plaintiff and members of the Class had a right to retain their
26 membership fees while all of Defendants' parks were and remain closed; Defendants
27 intentionally charged Plaintiff's and Class members' debit and credit cards in the full
28

1 amount of the monthly membership fees while Defendants' parks were closed;
2 Plaintiff and Class members did not consent to Defendants charging of their debit
3 and credit cards while Defendants' parks are closed; Plaintiff and Class members
4 were harmed through Defendants' charging of their debit and credit cards;
5 Defendants' conduct was a substantial factor in causing Plaintiff's and Class
6 members' harm.

8 **Breach of Contract**

19 Plaintiff and Class members have suffered an injury through the payment of
20 membership fees while not having access to Defendants' parks.
