...

I started this journey 4 years ago to pay the IRS back ! Never did I EVER imagine being connected to such amazing ladies! I truly, genuinely love them. The BEST part is they KNOW it! I communicate with them DAILY! I share with them everything I possibly can do to help them excel in their business. I even send my concerns when I don't see the necessary activities but most importantly I foster a winning environment for them ! Oh and let's be clear, it comes with a little getting on their nerves but the good outweighs! As a result they earned the use of a car in MARY KAY! I remember looking up just 2 years ago being the only one in my circle driving a car and here I present to you seven of my dynamic offsprings who have not only earned their first free car, but two have moved into their second car in this business.

I can't stress to you guys how I admire them and I'm so grateful for this God connection! Y'all rock! These are some of the most HARDWORKING ladies I have ever met .

I'm happy to say I have more soon to join me on this journey and will be driving free as well
