marykayus Be the CEO of your own business AND take your kids to work? This couldn't have sounded like a more ideal work/life balance for Heather, a former nurse. The Mary Kay opportunity entered Heather's life (of all the places!) at a gun range. Heather rarely spotted other women at the range, so she struck up a conversation with a woman who would change her life forever — a Mary Kay Independent Beauty Consultant on the brink of earning her first career car. Once Heather heard the Mary Kay marketing plan, she knew a change was the best choice for her family. Now, Heather enjoys making her own schedule and being her own boss. The only scrubs Heather uses now are from Mary
