**\_ceciliajames\_** Does this tell you how long I've been in Mary Kay? 🙏🌸 If not, the blonde hair on the next picture will. 😂 I don't think it's the picture of my first pink Cadillac but it was definitely the early days.

**13 Pink Cars** in 28 years and not a single car payment since I was 21 years old. Can't be better than that. Happy National Pink Cadillac Day 🌸🌸
