daniellastowe April celebrated my one year anniversary as a sales Director in Mary Kay 💕😘 can you believe it?

• I originally wanted some extra cash and little did I know I was going to fall in love with my skin and the amazing products. Which I could talk about for hours but if you truly know Mary Kay even though their products have earned the good house keeping seal time and time again, you'd know that Mary Kay isn't about the products. • When people ask what we sell, we say "Hope" for YOU to determine what success means to you, and have the opportunity to have choices. To create a life you can't wait to wake up to!

Although, I love the free car, and never having to worry about a car payment or car insurance bill. The diamond rings are definitely a plus, my absolute most favorite thing about what I do, is leading women, coaching them to their goals, to lead other women, and define success in their lives and achieve it. I love what I do. 🙌

Feeling grateful for this family owned company. Also thank you to YOU for supporting my business! When you support a small business you're supporting a dream. Because of YOU, I get to be a stay at home mommy to my precious little Liam 🙌
