Today marks the day for the first of many FREE cars to come. 😊 -
When I say FREE I mean FREE, don't have to pay for tag, taxes, license, or insurance. Brand spanking new, there was 5 miles on my car and a full tank of gas 🙏

-
So grateful to [@marykayus](#) for always making me feel like a queen, new whips, and the sisterhood that has come together. -
If you can dream it, you can achieve it. Hard work pays off every single time 🙌🏻🚗

-
Share the opportunity. Pass it on. 💕
