#nationalbossday 🥳

I'm grateful for the freedom to raise our son from HOME 🏠👶 to be able to treat loved ones without stressing over finances 💰 driving a FREE (tag, taxes, insurance, license, it's all covered) 🚗 beautiful new car. Meeting some of the strongest, most intentional, confident friends 🍷 free trips 🛩️🎉 lots of PRIZES 🛍️👠👜💍👑 it was also the beginning of my self development journey and gaining confidence in today's world 🧑 being able to lead an amazing group of ladies fearlessly into their dreams and lifestyle they've dreamt up for themselves ✨ the list is endless.

It is very much so "I'm glad I did" and not a "I wish I had" moment for me. So I encourage you to say "Yes" and stop waiting for success to come to you, and create the life you deserve for yourself and for your family. Mary Kay truly changed the trajectory of what life I had planned for myself. 💕 in honor of national boss day here are some pics of some of my amazing friends and mentors that I've gained from saying "YES" . 🥰
