rachel__ryan This feeling. I can't explain it. This morning I woke up and ran to the window to see a pink car parked in my driveway!! In MY driveway!

The moment was picture perfect. Some of my Mary Kay besties drove all the way down from Virginia and Tennessee to help me get ready (it felt like my wedding day) and to see my face as I pulled the pink sheet off of my first Pink Cadillac.

So many of my friends and family were there to celebrate, along with my Confetti unit members who were a huge part of this win. They will never fully understand and know how much that meant to me. Thank you

much that meant to me. Thank you so so so much to all of you who came and loved on me.

I truly haven't been able to fully process my emotions and words, so I'm definitely going to be posting something more heartfelt soon. But I'll leave you with this...

Thank you. Thank you to everyone who has supported me and my business. Thank you to everyone who has prayed for me, my team, and all of our goals. Thank you to everyone in Mary Kay who has poured into me this entire first year of directorship. It led me to where I am today. It led me to this. You encouraged me and allowed me to believe in myself.

Thank you to my family and friends who have loved on me and believed in me, even though what I do sometimes doesn't fully make sense 😂.

And thank you to my amazing husband who has not only believed in me more than anyone during this journey, but has also cheered me on. Seeing his face as we were driving home and knowing how proud of me he was, brings me to tears.

My cup is overflowing. My heart literally wants to burst. I am so thankful.

🔥: the incredible
