**captainn.carol** Hey! You there! You come from a small town & got big dreams & goals?! Cool me too!

•

Howdy y'all! I'm Carrie! I grew up in a small town outside of Cleveland called Kirtland! My high school consisted of maybe 400? Everyone knew everyone! Growing up there shaped who I am today! Being apart of making history for our town & having a close community was cool! But I knew I wasn't meant to stay there! I had huge goals & aspirations! I knew I needed to go!

reach one goal I had! Cheering at the collegiate level which is the highest level you can go in cheer! I did it! Reached a goal!

I knew where I was going! I had it plugged into my GPS! Yeah, I got detoured sometimes but that's what makes the journey! I had a destination & I was going to reach it! & y'all I most definitely DID! I earned the PINK CADILLAC!

PASSION & DETERMINATION! You are CAPABLE! You don't have to come from a big city to be successful in this biz! You don't have to have a million & 1 connections! Just have to be willing to learn & be coachable!

• So why not YOU?! Make that extra income! Leave your job that unappreciates you! Have choices! Get opportunities you didn't have before! Say YES! To changing your life & reaching goals!
