More Information

The USANA Difference

This unique formula gives your body advanced antioxidant protection and supports a balanced immune system. Using USANA's innovative Nutritional Hybrid Technology, Proflavanol CTM combines grape-seed extract and vitamin C to give you the best of both worlds in a single, powerful tablet.

Health Benefits

- Contains a combination of grape seed extract with the free-radical quenching power of USANA's Poly C[®] blend to raise levels of vitamin C for longer periods of time
- Offers powerful antioxidant protection to help you maintain good health
- Grape seed extract works perfectly with vitamin C to protect cells and enhance your body's normal immune function
- Protects cells against damaging oxidative stress using grape seed extract
- Clinically shown to support circulatory and cardiovascular health
- Helps to retain healthy, normal cholesterol levels

*No approved therapeutic claims

Heart Health

More Information

The USANA Difference

Energy begins at the most basic level—your cells. **CoQuinone™ 30** supports the natural creation of energy in your cells with nutrients that benefit muscle function, healthy nerves, and great cardiovascular health. It's clinically proven to deliver more CoQ10 to your blood stream so you have sufficient support to keep up with the high-energy demand of your heart.

Health Benefits

- Central to robust energy production within the cell
- Provides ingredients vital to support cardiovascular health, sound muscle function, and healthy nerve function
- Contains a powerful antioxidant blend
- Clinically shown to deliver more CoQ10 to the blood stream than competing products

 Heart Health

More Information

Your bones are the foundation of a healthy lifestyle. Support them with the formulated amount of nutrients for support with USANA® MagneCal D™. The secret is equal amounts of magnesium and calcium plus formulated levels of vitamin D. This supports an ideal ratio of these nutrients in your body. The benefits of MagneCal D go beyond bone health. It also supports your heart, muscles, and metabolism.

Health Basics

- Provides balanced levels of calcium and magnesium, along with formulated levels of vitamin D in truly bioavailable forms
- Helps in the development and maintenance of bones and teeth
- Helps in maintaining proper muscle function

Did You Know?

- MagneCal D is designed to work hand-in-hand with our USANA® CellSentials™ for formulated support.

Proglucamune

Body Benefits

Immune Health

More Information

The USANA Difference

Proglucamune combines zinc with reishi (*Ganoderma lucidum*) and shiitake (*Lentinula edodes*) mushrooms and baker's yeast (*Saccharomyces cerevisiae*) for immune support and improved general well-being.

Proglucamune is specifically created for year-round comprehensive immune support. It contains zinc, which is necessary for normal immune function and normal cell division.

More Information

The USANA Difference

Omega-3 fatty acids play an important part in many body systems that contribute to optimal health. BIOMEGA™ offers a convenient way to get these valuable nutrients when you're not eating fish at least twice a week. Plus, this unique formula includes a high amount of vitamin D and lemon oil to eliminate fishy aftertastes.

Health Benefits

- Supports sound cardiovascular, immune, and joint health
- Provides advanced and sufficient levels of EPA and DHA - two long-chain omega-3 fatty acids important for memory and learning
- Plays a role in many important cellular processes that support the body
