## BEAUTYCOUNTER CONSULTANT OPPORTUNITY

## BEAUTYCOUNTER IS THE BEST INVESTMENT I EVER MADE.

*It gave me an outlet when I was working an emotionally draining job, has provided me more financial freedom than I ever could have hoped for, and has provided me the opportunity to build a location independent business.*

## BEAUTYCOUNTER QUESTIONS I GET:

Do you have to use the products before you become a consultant?

Do you need to have a big Instagram following to be a successful Beautycounter Consultant?

How much money do you have to invest up front?

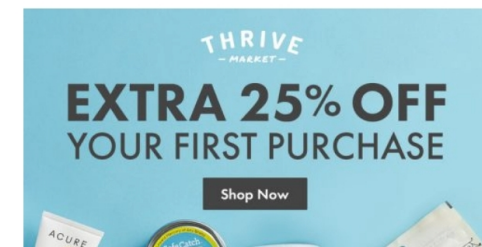

How much money does a Beautycounter Consultant make?

How does Beautycounter compare to DoTerra?

What is the Beautycounter Consultant discount?

Hi! I'm Whitney Shook. I'm a **Nutritional Therapy Practitioner and Transformational Mindset Coach** for those with autoimmune disease. I help you get to the physical and emotional root causes of chronic health issues so you can feel energized and free.

---

What is the Beautycounter Consultant discount?

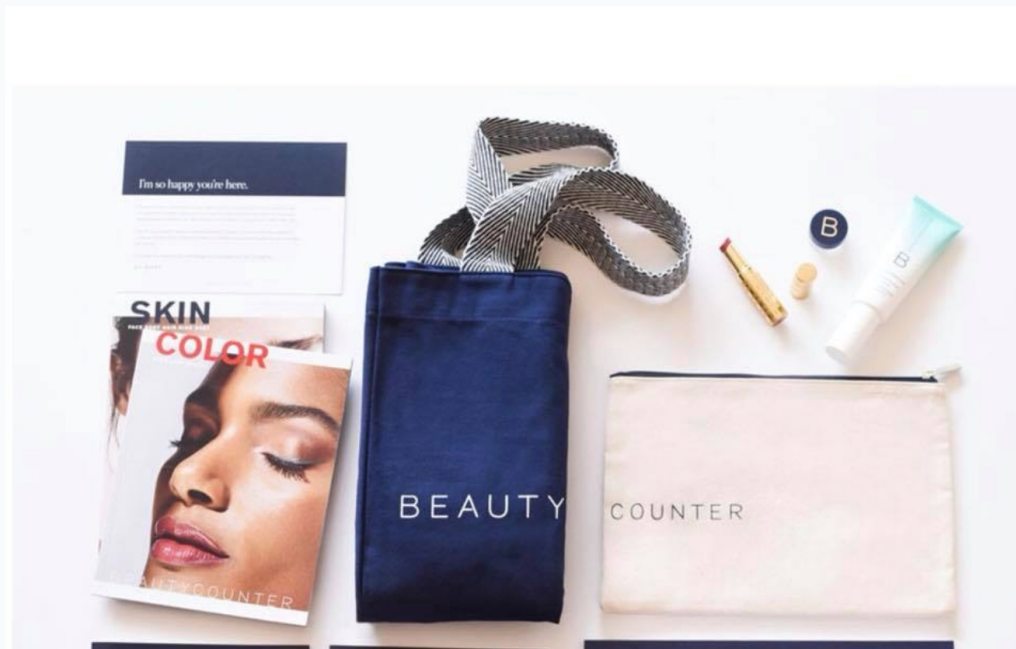

Do you get punished if you don't hit a certain number in sales each month?

What if I already work full time?

**I ANSWER ALL THESE QUESTIONS AND MORE.**

Enter your information below to receive my Beautycounter Consultant review, find out how I'm building my Beautycounter business, get an idea of the return I've seen on my investment, hear from leaders higher up in the company, AND find out how you can save money by becoming a consultant on my team.
