SUCKS.... Before it gets really guud...

My Definition Of Success has changed
dramatically...

It went from flying Private Jets, driving
Lamborghinis and Ferrari's, eating 5
star dinners, airbnb'ing mansions,

up, impacting generations to come,
retiring my family and giving back.....

Growth.. Just know that elevation most
times takes separation.... Not everyone
will see what you see and believe what
you believe and that's ok... The outcast
and one who takes the road less
traveled usually becomes the most
awake and most successful.. Observe

awake and most successful.. Observe the masses and do the opposite, because everyone doing something is an average action. 🐱🕊️🌺🌸

I remember my first 2 years not even making \$250 a week and struggling, sacrificing, crying, crawling, crunching into a car for 20 hour rides to conventions and tours, eviction and eviction, back to being homeless,

eviction, back to being homeless, companies collapsing and going back to zero, leaving IM as a C100 and coming back to restart, losing custody of Aiden because I wasn't a "fit parent" and traveled too much, mom passing away while on tour, suspended for 6 months, too many stories to tell... My results speak louder than who I am as a leader or person. All glory to God and the system and platform we have...

the system and platform we have...
Trust the process and trust Gods
timing don't compare your chapter 3 to
someone else's chapter 33.. I'm glad I
NEVER QUIT.. Just know this shit sucks
before it gets really really guud.. Trust
me.. 🤔💙💚💛🧡❤️💜👉🏻🌀
