About Us

The best kept secret "Puronia Juice" related to the chokeberry family. Highest micro compounds, antioxidants, and pholy phenols. The compared Elderberry cannot stand up too,. I am shouting from the roof tops, "Puronia Juice will help you maintain your health or live better!" There are many nutritional benefits that you have not yet had, until you experience the "Gold-on Juice!!!!" Try yours and order today for better health at TryAroniaBerry.com

How We Got Started

A great friend called and shared this "Puronia Berry Juice" with me. I experienced immediate help from radiation sensitivities and my ability to not feel extreme anxiety and nerve pain when I walked in buildings, public places or being around WiFi and cell towers after 11 years. Come join me and lets help others get their health back!!!
