Performance and specifications

Type	Detox Cleanses
Age Group	Adult
Condition	New

More details

Payment on delivery (yes).

-low glutathione is associated with over 72 diseases and health challenges, including:
Diabetes, hypertension, stroke, arthritis, erectile dysfunction, male/female infertility, cataract and glaucoma, ulcer, alzheimer and memory loss, sickle cell, asthma, autism, cancer, kidney disease, hepatitis b/c, and more.

-when glutathione is boosted, ailments are reversed. It also helps with skin health/anti-aging, immune system, fighting metal, and drug poisoning.

-cellgevity is 300% effective (because of its max's patented advanced riboceine™ technology used in achieving the natural production of glutathione and functions).

-it is a supplement (not a drug).

-it is halal certified, nafdac approved (among others). - it is manufactured and regulated in u.s.a.

-components:

Alpha lipid acid, resveratrol, milk thistle seed extract, cordyceps, broccoli seed extract, grape seed extract, vitamin c, black pepper, curcumin, quercetin, selenium, and aloe leaf.

-4 Bottles
