

First 24 Hour Business Launch Document

STEP 1: What's Your Why?

Everyone joins MyDailyChoice for different reasons. Some are here because of financial freedom, time freedom, buying their dream house, dream car, more time with their family, helping others, and many other reasons.

Your WHY should be POWERFUL. What's Your WHY? Write it down somewhere so you can see it EVERYDAY!

STEP 2: Set Up Your MDC Autoship

Your MDC Autoship is the MOST important thing for your business. Why? It gives you a PERSONAL product success story, qualifies you in the compensation plan, and leads the way for duplication in your organization. To get others on Autoship, you have to be on Autoship! Out of product = out of business! Serious leaders choose 100PV.

Visit the SETTINGS tab in your backoffice to set up your autoship!

STEP 3: Build Your List

*Now that you're ready to start your business, it's time to build a LIST to tell people about your new MDC business! Make a list of 50-100 people that you know. Use your cell phone, email, Facebook, contact lists, and our **memory jogger in under the resources** section to build your list. You never know who will be your next super start so **DO NOT pre-judge anyone!***

STEP 4: Launch With A Grand Opening

*Everyone on your list is waiting for a phone call or a personal invitation to check out your MDC business. Launch your business by hosting a **HOME EVENT, HOTEL EVENT, or VIRTUAL GRAND OPENING** (conference call/cut off call). Exposures are the key to the business! Get everyone to your event and **teach them how to do the same!***

STEP 5: Watch The Back Office Training Videos

To be the BEST, you have to learn from the BEST! Our top leaders have put together an exclusive training on Mindset, Meetings, Autoships, The System, The Compensation Plan, and more...

Watch, Learn, and Implement these strategies into Your Business!
