foreverglobalhq "I learned about Forever in 2007 when I began using Sonya™ skincare products. I had a full time job at the time, but wanted to earn a little extra money and meet new people, so I signed on as a Forever Business Owner. I had so much fun meeting new people and recommending Forever products and had my sponsor to guide me through the process. It was great to be able to earn extra money on my own time. After a few years, I was even able to leave my day job and focus exclusively on my Forever business!" -Forever Business Owner Marta Omachel
