grant_diamond Pumped to announce the streams are now sponsored by HelloFresh! Use the code POGSE4868 or the link in my bio for 16 free meals at checkout and big support to the channel! This is a crazy generous sponsorship where you can put food on your table and ours. It's the kind of deal I've been praying for. More ahead!

I read this quote over the weekend in [@zachwindahl](#) book "Launch With God" and it sums up everything that's been happening since jumping into content creating full time perfectly.

"When God is working for you, it can feel like you're rising faster than you

"When God is working for you, it can feel like you're rising faster than you should, taking on bigger challenges than you can handle, and succeeding beyond your abilities."

The power of vision is real. I turned down a ton of small sponsors no one's heard of early on in my journey because I believed the community I was building was worth S tier brands and support. Our first three sponsors are GFuel Energy, Fabletics, and HelloFresh. God is good!

Thank you to everyone who's believed in me, prayed for me, and supported me to this point. Can't wait to see what's next!
