Hello 

It's finally summer, and if you're anything like us, we'll bet you can't wait to soak in the sunshine! For us, these months are all about bringing you **farm-fresh produce at peak seasonal ripeness** while ensuring you always have access to our **most convenient recipes** when all you want to do is get out the door.

We also keep things flexible. Making travel plans for the season? Don't sweat it! You can pause your subscription for as long as you need to. Though if you want to take us with you, just **update your address** and we'll send your boxes to your temporary address! Yep, that kind of flexible.

And on top of the **17 free meals plus free shipping** we're offering to new subscribers, there's one *tote*-ally awesome perk we haven't mentioned yet: if you sign up, we'll send you a **FREE HelloFresh tote bag!** It comes in pretty handy for those occasional trips to the farmers market (and will help you explain why you've been showing up less lately...wink, wink).

HelloFresh knows that summer is all about doing you, and we're here to make it happen deliciously. To get started, go to hellofresh.com/tote22 and use code **1S-WMIGC** to claim your offer!

Warmly,

**HELLO
FRESH**
