IDENTIFIED ON SCHEDULE “A.”

/

COMPLAINT FOR DAMAGES AND INJUNCTIVE RELIEF

Plaintiff Dr. Mayim Bialik (“Bialik” or “Plaintiff”), by and through her undersigned counsel, hereby sues Defendants, the Individuals, Business Entities, and/or Unincorporated Associations Identified on Schedule “A” hereto (collectively “Defendants”). Defendants are engaging in the unauthorized use of Mayim Bialik’s name, likeness, and/or persona within this district, and throughout the United States, through various affiliate marketing campaigns and e-commerce websites operating under the advertisement and sponsor identities, affiliate identity codes, and email addresses set forth on Schedule “A” (the “Advertisement/Sponsor IDs and Affiliate IDs”). The entire purpose of the Defendants’ wrongful activities is to create the false impression that Bialik is affiliated with and endorses certain cannabidiol products (the “Unauthorized CBD Products”) which she does not. In support of her claims, Bialik alleges as follows:

JURISDICTION AND VENUE

1. This is an action for federal false designation of origin, false advertising, common law unfair competition, common law right of publicity and unauthorized publication of name or likeness seeking relief pursuant to 15 U.S.C. § 1125(a), The All Writs Act, 28 U.S.C. § 1651(a), and Florida Statute §540.08. Accordingly, this Court has subject matter jurisdiction over this action pursuant to 15 U.S.C. § 1121 and 28 U.S.C. §§ 1331 and 1338. This Court has supplemental jurisdiction pursuant to 28 U.S.C. § 1337 over Plaintiff's state law claims because those claims are so related to the federal claims that they form part of the same case or controversy.

2. Defendants are subject to personal jurisdiction in this district, because they intentionally direct business activities toward and conduct business with consumers throughout the United States, including within the State of Florida and this district, through at least the e-commerce stores, social media accounts, and commercial websites operating under the Advertisement/Sponsor IDs and Affiliate IDs. Alternatively, Defendants are subject to personal jurisdiction in this district pursuant to Federal Rule of Civil Procedure 4(k)(2) because (i) Defendants are not subject to jurisdiction in any state's court of general jurisdiction; and (ii) exercising jurisdiction is consistent with the United States Constitution and laws.

3. Venue is proper in this Court pursuant to 28 U.S.C. § 1391 since a substantial part of the events or omissions giving rise to the claims set forth herein are occurring in this district. Specifically, Defendants are engaging in the below described unlawful activities which are directed, in part, to and causing harm within this district including advertising, promoting, marketing, offering to sell, selling, or directly causing the sale and/or shipping of falsely endorsed products into this district. Venue may also be appropriate pursuant to 28 U.S.C. § 1391(c)(3) since Defendants may, upon information and belief, be not residents in the United States.

THE PLAINTIFF

4. Plaintiff Mayim Bialik is an internationally recognized and acclaimed film and television actor, author, and neuroscientist. Bialik has starred in and received critical acclaim for her performances within the film and television industries. Bialik's name, image, and persona is instantly recognized by the public around the world, from such films as Beaches (1988) and popular television shows, including the 1990s hit series Blossom (1990-1995), the Big Bang Theory (2010-2019), and Jeopardy! (2021-2022). In addition to her extensive career in the entertainment industry, Bialik earned her doctorate in neuroscience. Bialik is also an accomplished author with published works in the genres of young adult and cookbooks.

5. Bialik has received numerous honors, awards, and recognitions for her work. These include receiving a Critics Choice Award in 2018 for Best Supporting Actress in a Comedy Series, a Broadcast Film Critics Association Award in 2018 for Best Supporting Actress in a Comedy Series, a Critics Choice Television Award in 2016 for Best Supporting Actress in a Comedy Series, an Online Film & Television Award in 2012 for Best Supporting Actress in a Comedy Series, and a Young Artist Award in 1989 for Best Young Actress in a Motion Picture Comedy or Fantasy. In addition, Bialik has received numerous nominations including from the Critics Choice Television Awards, Emmy Awards, Screen Actors Guild Awards, the Young Artist Awards Critics Choice Award, and the Teen Choice Awards.

6. As a result of Bialik's fame, her name, image, likeness, and persona enjoy widespread recognition and hold significant commercial value. Accordingly, Bialik engages in deliberate consideration prior to permitting the commercial use of her name, image, likeness or persona, to ensure that she is associated only with reputable products, entertainment, services and/or companies, and to ensure that the value of her name, image, likeness and persona is not

diminished either by association with products, entertainment, services and/or companies which she does not personally support and/or by over-saturation of her name and image. Bialik will not voluntarily appear or allow the use of her name, likeness, or persona in any media for a company or product she has not personally vetted and carefully selected based on her personal values and beliefs. Moreover, when endorsing a company or product, Bialik is entitled to and receives compensation which is commensurate with the value of the exploitation of her name, image, likeness, and persona, and protects her from any potential diminution in value deriving from the commercial use of her publicity rights.

THE DEFENDANTS

7. The Defendants are individuals, business entities of unknown makeup, or unincorporated associations, who may, upon information and belief reside outside of the United States and which purposefully target their business activities towards consumers, including within this district, through the simultaneous operation of, at least, various social media personas, the Advertisement/Sponsor IDs and commercial websites all operating under the Advertisement/Sponsor IDs, Affiliate IDs, and Uniform Resource Locators (“URLs”) which are making unauthorized use of Plaintiff’s name. Plaintiff reasonably believes Defendants also use, and will continue to use in the future, additional commercial domains, social media accounts, websites and corresponding URLs not yet known to Plaintiff for the purpose of marketing programs designed to drive consumer traffic towards e-commerce webpages based on a misuse and misappropriation of Plaintiff’s name, likeness, and/or persona.

8. Defendants operate under the Advertisement/Sponsor IDs and Affiliate IDs via third-party social media and news websites in tandem with websites, including websites which upon information and belief appear to be based abroad in at least the Dominican Republic,

France, and India, thereby creating an interconnected ecosystem which functions as an online marketing operation. Given the similarities in manner, style, and execution of the Defendants' fake endorsements it is likely the Defendants are acting in concert and/or are part of the same organization. Notwithstanding, the Defendants' activities are causing an indivisible harm to Plaintiff.

9. Upon information and belief, Defendants are the past and present controlling forces behind and causes of the promotion, marketing, and advertisement, offers to sell, and sales of the Unauthorized CBD Products promoted and advertised in connection with Bialik's name without Plaintiff's authorization.

10. Defendants misappropriate Bialik's name, likeness, and/or persona by promoting, advertising, and marketing, offering for sale, and selling or causing to be sold the Unauthorized CBD Products by falsely suggesting Bialik has endorsed, is sponsoring, or may be actively associated with such goods.

11. Defendants have registered, established, used, or acquired, and maintained their Advertisement/Sponsor IDs and/or Affiliate IDs for the unlawful actions described herein. Upon information and belief, Defendants engaged in fraudulent and misleading conduct with respect to the registration of the Advertisement/Sponsor IDs and Affiliate IDs by providing false and/or misleading information to the relevant e-commerce platforms, registrars, and/or affiliate programs they use to perpetrate their consumer fraud. Defendants likely registered, acquired, and/or maintained some of their Advertisement/Sponsor IDs and/or Affiliate IDs for the sole purpose of engaging in unlawful activities.

12. Defendants' business names, i.e., the Advertisement/Sponsor IDs and Affiliate IDs, and associated website URLs which are identified at Schedule "A" hereto, and any other

alias advertisement/sponsor identification names, domain names, URL addresses, and affiliate identifications used in connection with the promotion of goods using the unauthorized name, likeness, and/or persona of Bialik are essential components of Defendants' fraudulent activities and are the means by which Defendants further their scheme and cause harm to Plaintiff.

13. Defendants will likely continue to register or acquire new advertisement/sponsor identification aliases, social media accounts, domain names, and consequently new URL addresses in connection therewith, and affiliate identifications for the purpose of using misappropriating Bialik's name, likeness, and/or persona in connection with the promotion, advertisement, and marketing, offer to sell, and/or sales of unauthorized goods unless permanently enjoined.

14. True and correct captures of the URLs used in the complained of advertising scam making unauthorized use of Bialik's name, likeness, and/or persona are attached hereto as Composite Exhibit "1" hereto (the "Advertisements").

COMMON FACTUAL ALLEGATIONS

Plaintiff's Business and Sponsorship

15. Dr. Mayim Bialik enjoys world-wide notoriety and fame. As a result of her hard work and efforts, Bialik's name, image, likeness, and persona are widely recognized, giving them substantial monetary value in the marketplace.

16. Plaintiff closely controls and curates the commercial use of her publicity rights. Only after careful and thoughtful consideration does she enter into endorsement or sponsorship agreements. Plaintiff has never endorsed cannabidiol products in general, or the Unauthorized CBD Products, specifically.

Defendants' Unauthorized Activities

17. Defendants intentionally and conspicuously use at least Bialik's name for the purpose of advertising, marketing, promoting, and offering to sell and cause to be sold the Unauthorized CBD Products. Specifically, the Defendants wrongfully use Bialik's name in several forms alternatively referring to "Mayim Bialik CBD Gummies," "Mayim Bialik Smilz gummies," "Mayim Bialik CBD Oil" none of which in fact exist. The Defendants' entire purpose in using Bialik's name is to mislead consumers through false celebrity endorsement and drive consumer traffic to product sales pages for the Unauthorized CBD Products (the "Product Sales Pages").

18. At no time did Bialik give permission to Defendants to use her name, image, likeness or persona or any other publicity rights to promote, advertise, market, offer to sell, sell or cause to be sold the advertised Unauthorized CBD Products. Nor has Bialik been compensated for Defendants' unauthorized commercial use of her name and publicity rights.

How Affiliate Marketing Works

19. The Advertisements appear to be generated by affiliate marketers. Affiliate programs essentially operate as follows: online sellers of goods/services, whether operating as solo individuals or large enterprises are the vendors, merchants, or retailers trying to bring a product to the market. An affiliate, or publisher, (the "Affiliate") can be an individual or a company that markets the seller's product in an appealing way to potential consumers. Affiliates can self-host or join an affiliate marketing network, which are third-party services which act as intermediaries between the sellers and the Affiliate.

20. Affiliates are issued unique identifications and trackable URLs to use in their content promoting goods or services. If a consumer purchases a product because of an advertisement published by an Affiliate, that Affiliate receives a percentage of the revenue.

Affiliates market through certain channels to target consumers, i.e., social media, blogs, etc. There are several different remuneration avenues for an Affiliate. In some instances, a consumer does not need to complete a purchase for the Affiliate to get paid. The basic revenue models for Affiliate programs include: (1) pay per sale – standard affiliate marketing structure, wherein a seller pays an affiliate a percentage of the sale price of the product post executed sale; (2) pay per lead – affiliate programs are compensated based on the conversion of leads. The affiliate will be remunerated if it successfully leads a consumer to visit a seller's website and complete a desired action, i.e., filling out a contact form, signing up for a trial product, etc.; (3) pay per click – affiliate marketing is based on generating consumer traffic to websites in order for consumers to click and take action once there the affiliate is paid based on an increase in web traffic.

21. Affiliate marketing spend in the United States has increased in the last few years and is estimated to represent \$8.2 billion in 2022. *See Affiliate Marketing 101: What it is and How to Get Started, available at* [*https://www.bigcommerce.com/articles/ecommerce/affiliate-marketing/*](https://www.bigcommerce.com/articles/ecommerce/affiliate-marketing/)*, (last visited May, 20, 2022).* Affiliate marketing strategies are appealing as they can digitally reach and deliver a huge online base of potential consumers to product sales pages with zero initial upfront advertising costs attributable to the sellers of goods.

How Defendants are Engaging in a Marketing Scam Designed to Mislead Consumers and Exploit Plaintiff's Famous Name

22. Many affiliate marketing programs have virtually no background or capital barriers to entry with the result being they are often used by bad actors such as Defendants herein.

23. Defendants create advertisements, including sponsored “news” stories, and social media accounts, which prominently promote and feature Plaintiff's name - Mayim Bialik – in connection with the Unauthorized CBD Products. The Advertisements, including sponsored

“news” content, and social media accounts include links to sales pages. Once a consumer clicks on the links to purchase these goods, they are redirected to one of several websites which sell the Unauthorized CBD Products – the Product Sales Pages.

24. Upon information and belief, the registrants of the Product Sales Pages conceal their identities from the public as the WHOIS details of the Product Sales Page domain names are private.

How the Scam Works

25. The Defendants promote the Unauthorized CBD Products through social media accounts or sponsored “news” stories which include Bialik’s name in the account names or handles, or “news” headline, which then re-direct consumers to one or more webpages before landing on a Product Sales Page. See Schedule “A” hereto for a chart tracking the Defendants’ online scam. Below is an example of how Defendants’ misappropriation advertising scam operates:

26. The “shop on website” button of the “Mayim Bialik Cbd Gummies” Facebook page redirects consumers to a sponsored “news” story in the SF Weekly:

INSTRUCTIONS FOR ATTORNEYS COMPLETING CIVIL COVER SHEET FORM JS 44**Authority For Civil Cover Sheet**

The JS 44 civil cover sheet and the information contained herein neither replaces nor supplements the filings and service of pleading or other papers as required by law, except as provided by local rules of court. This form, approved by the Judicial Conference of the United States in September 1974, is required for the use of the Clerk of Court for the purpose of initiating the civil docket sheet. Consequently, a civil cover sheet is submitted to the Clerk of Court for each civil complaint filed. The attorney filing a case should complete the form as follows:

I. (a) Plaintiffs-Defendants. Enter names (last, first, middle initial) of plaintiff and defendant. If the plaintiff or defendant is a government agency, use only the full name or standard abbreviations. If the plaintiff or defendant is an official within a government agency, identify first the agency and then the official, giving both name and title.

(b) County of Residence. For each civil case filed, except U.S. plaintiff cases, enter the name of the county where the first listed plaintiff resides at the time of filing. In U.S. plaintiff cases, enter the name of the county in which the first listed defendant resides at the time of filing. (NOTE: In land condemnation cases, the county of residence of the "defendant" is the location of the tract of land involved.)

(c) Attorneys. Enter the firm name, address, telephone number, and attorney of record. If there are several attorneys, list them on an attachment, noting in this section "(see attachment)".

(d) Choose one County where Action Arose.

II. Jurisdiction. The basis of jurisdiction is set forth under Rule 8(a), F.R.C.P., which requires that jurisdictions be shown in pleadings. Place an "X" in one of the boxes. If there is more than one basis of jurisdiction, precedence is given in the order shown below.

What Are The Typical Interest Rates For Bad Credit Loans?

A low interest rate does not mean that the loan is a good one. There are many variables that you should consider when you are selecting your lender and when you are taking your emergency loan.

Some lenders will offer loans with mixed interest rates. Make sure you understand whether the loan is offered at a fixed interest rate or on a declining balance basis. Loans with a fixed interest rate are often offered at significantly cheaper interest rates. This does not, however, imply that you will pay less.

How Much Does A Bad Credit Loan Really Cost?

Interest payments are not the only payments you must make when you take out a bad credit loan. Read below to find out some of these other costs for bad credit loans:

- The Processing Fee

It is often that lenders will add on a charge that is 1 to 2 percent of the loan amount. These fees are added to the loan's overall cost. The lower the processing fee, the better. After all - who wants to pay unnecessary fees?

- The Prepayment Fee

On occasion, and depending on your lender, you might be able to pre pay your bad credit loan. There will also be times where you are not allowed to prepay your loan. Doing a pre-payment ultimately is beneficial to you as it can lower your overall interest cost.

You should include prepayment penalty fees when calculating the all-in cost. Lenders utilize prepayment penalties to compel borrowers to remain in the loan and pay the entire interest cost. The lower the penalty for prepayment, the better.

- The Late Payment Fee

Never be late with your payments. That is the best advice we can give you! Remember when you got into this arrangement, the lender expected you to pay your bad credit loan back on time, so make sure that you are able to in order to avoid any further difficulties with the lender.

Do You Truly Need A Bad Credit Loan?

Only borrow what you can pay back. Lenders will often try to get you to borrow more of a bad credit loan. However, you may not actually need the money, but you take it. We strongly recommend that you do not do this. Only take what you need. Make sure that you are able to pay back that amount.

Bad credit loans have high interest rates - remember that. They are often the most

SUPPORT US

Always Look For A Good Interest Rate

You do not have to pick the first lender that offers you a bad credit loan. It is okay to decline the first offer you get. In fact, you can decline as many as you see fit. Only take the bad credit loan with the term and conditions that are favorable to you.

What Is An Add-On Offer And Should You Avoid it?

These lenders can sometimes be sneaky little tricksters. Often you are informed that there will be no upfront costs. However, they might add your insurance cost to your monthly payment. Be careful that they don't do this to you. Have an eye out and read all of the fine details of the loan offer before committing to it.

The reason they do this is because they want to up the interest payment portion on your loan, thus increasing the interest payment you owe to them. Don't be tricked. Look carefully at the loan details before you agree to them. Remember, the lender is looking out for themselves. You have to look out for your own best interest.

If you are in a tough spot, you may not have any other choice. You may have to take out a bad credit loan. However, there is no justification if you begin to fall for such add-on offers. You alone are responsible. There could be a plethora of such add-on offers. Decline these loan offers and only take ones that are favorable to you.

If You Have A Bad Credit Score What Types Of Loans Can You Get?**Why are Payday Loans So Mainstream?**

Payday loans are so popular. Why is this? Here are a few reasons why:

- Loan amounts are usually hundreds of dollars or less.
- Payday loans are short-term

It is also important to note that they are high-interest loans that carry a significant chance of default.

When borrowers cannot repay their initial loan, they frequently take out more loans, locking them in a debt cycle. As a result, interest costs accumulate rapidly, and loans with annual percentage rates in the triple digits are not unusual.

The Ever Popular Student Loans

Let's face it - the cost of education is so high. Students rack up tens of thousands of dollars in student debt as they try to pay their way through school.

Students may use this loan to cover the cost of a laptop, textbooks, and other educational expenditures, allowing them to escape the burden of working a part-time job while they study.

Don't Become A Victim Of A Bad Credit Loan Fraud**Will A Lender Every Contact You Directly?**

A lender will call you only when you have applied for a bad credit loan. On the other hand, personal loan scammers frequently contact victims via phone, email, or in-person and request relevant data to get access to their bank accounts.

- You will get calls directly from lenders after you apply, however - be aware that you might also get unsolicited calls. If you have applied for a bad credit loan yet, if you have any doubts about the authenticity of a loan offer, you can check the lender's certification on the site of your state attorney general to see whether the lender is operating legally.

Sometimes it is hard to tell the difference between a genuine lender and a fraudster lender. If the lender has guaranteed acceptance, is vague about costs and lending conditions, or implies that your credit score is irrelevant, this is undoubtedly a bad credit loan fraud.

What If A Lender Does Not Tell You Their Fees?

Scammers of **bad credit loans** are frequently purposefully ambiguous regarding costs,

SUPPORT US

and are clear about loan prices throughout the application process. Additionally, expenses associated with typical loans are paid at the time of closing, not after approval. If your lender does not reveal all application and origination fees beforehand, you may be a victim of personal loan fraud.

Do You Have To Pay Any Fees?

If a lender requests payment of costs before or soon after approval, you are most certainly the victim of fraud. Not only are loan origination costs usually paid at closing, but they are also typically deducted from the money borrowed.

Here Are The Pros Of Bad Credit Loans

No Credit History Check Is Required

One of the greatest aspects of bad credit loans - the lender will not care too much about your credit report. This implies that when the lender reviews your application, they will disregard your credit score because prior defaults or listings may have had no impact on your loan application.

INDIE ROCKERS SUNFLOWER BEAN PROMISE TO BRING 'NEW YORK ENERGY' TO UPCOMING GROG SHOP SHOW

The lender really cares about whether or not you have a good paying and stable job. Additionally, you should have sufficient assets to cover the requested loans. It would be preferable if you have stable work for one year to increase your chances of approval.

Can You Improve Your Credit If You Pay On Time?

Bad credit loans provide you with fast access to the finances essential to repay your debt. Second, you have the opportunity to manage your finances wisely and make timely payments. Budgeting and prudent debt management will increase your likelihood of improving your credit score. Your prospective lender or employer will trust you more.

You Can Borrow A Lot If You Need It

If you are considering a [bad credit loan](#), please know that you could borrow a large amount of funds if you need it. Yes, even with poor credit, it is possible to apply for something pretty big. The critical factor is to pay it off and maintain an income sufficient to afford the monthly payments.

Another factor that individuals should examine when applying for a loan is the loan's hidden costs and fees. Always inquire about additional fees from lenders.

Flexibility With All Of The Offers

Bad credit loans can be tailored to your specific scenario and financial needs at the time. The correct lender will provide you with a loan that is customized to your circumstances. They may consider the loan amount, repayment options, period, flexibility, and interest rates, among other things.

What is an Annual Percentage Rate (APR) And Why Is This Important To Know?

Annual Percentage Rates, or APRs, are another type of rate that you may encounter while applying for a personal loan. This rate is the total amount of interest you will pay over a year, including any additional expenses associated with the loan.

- Generally, the APR will be 0.1% to 0.5% greater than the interest rate. If the APR is higher, anticipate additional expenses. Many borrowers compare APRs while comparing loan choices. Remember that the APR can be negotiated directly with the lender. As such, be sure to talk to them about this and do not take the first APR that is provided by the lender. See if you can get the rate down.

Secured Versus Unsecured Which Is Better?

When you are applying for a secured loan, the lender will take your personal items like your car or house as collateral. They keep this collateral in the event that you do not pay back the loan. If you do not pay it back, then they can keep your personal items.

Secured loans are used to borrow much larger amounts of money. A lender will only lend a considerable sum with the assurance that you will repay it. Placing your home on the line ensures that you will do everything possible to repay the debt.

Why are credit reports so darn important?

Lenders will be eager to look at your credit report first if you are searching for a bad credit loan. If you have a good credit score, you may utilize this excellent credit score to obtain favorable terms on loans, credit cards, insurance premiums, rentals, and mobile phone contracts.

We recommend that you always monitor your credit very carefully. Know if there are any late payments showing up on your report. If there are any problems on your credit report, you can deal with them before they become a major issue.

Our Closing Summary On Bad Credit Loans

This concludes our in depth review on loans for bad credit. If you have a bad credit report, you know everything there is to know about getting an emergency loan. Remember to choose bad credit loans over payday loans. Payday loans will come with higher interest rates and less favorable terms.

Companies like [MoneyMutual](#) are the industry leaders and offer the best bad credit loans out there! However, please remember to always pay back your bad credit loan on time. Never miss a payment, and always make sure to negotiate the terms of your bad credit loan directly with your lender before you agree to the loan. Negotiation is very important with the lender directly as you want to ensure that you are getting a good interest rate and favorable terms and conditions.

The companies outlined in this review article are at the top of their game. They are well known for their professionalism, great customer service, and excellent consumer reviews. Be confident when you are applying for your bad credit loan and be confident when choosing MoneyMutual.

Hi everyone. So... awkward: there are many untrue things floating around the internet about many public figures, but I want to address one about me that looks very authentic but is indeed a hoax. I am not selling CBD Gummies of any kind and do not plan to do so at any point in the future. I have tried to get this removed to no avail. It's not real.
