

CLASS ACTION SETTLEMENT AGREEMENT

This Class Action Settlement Agreement (“Agreement”) is entered into by and amongst Plaintiff Lynn Watson, on behalf of herself and the Settlement Class Members (“Plaintiff”), on the one hand, and Defendant E.T. Browne Drug Co., Inc., (“E.T. Browne” or “Defendant”) on the other hand. E.T. Browne and Plaintiff are sometimes hereinafter are referred to individually as a “Party” and collectively as the “Parties.” Capitalized terms used herein are defined in Section II of this Settlement or indicated in parentheses elsewhere in this Agreement. Subject to the Court’s approval, the Parties hereby stipulate and agree that, in consideration for the promises and covenants set forth in the Agreement and upon the entry by the Court of a Final Approval Order and the occurrence of the Effective Date, the Action shall be settled and compromised, and Plaintiff and Settlement Class Members will release claims in favor of the Released Parties (as hereinafter defined), upon the terms and conditions contained herein.

I. RECITALS

1.1 On February 9, 2022, Plaintiff filed a class action complaint, purportedly on behalf of a nationwide class on behalf of all persons who purchased Products during the Class period, against Defendant in the Circuit Court of DuPage County, Illinois (“the Action”). Plaintiff alleges in the complaint that, among other things, the Product packaging was false and deceptive in that it led purchasers to believe that the Products prevent stretch marks and reduce the appearance of stretch marks. Plaintiff contends that Defendant’s representations give rise to claims for breach of express warranty, fraud, and violations of Illinois’ consumer protection laws, among others.

1.2 The Parties have reached the resolution set forth in this Agreement, providing for, among other things, the settlement of the Action between and among the Parties on the terms and subject to the conditions set forth below, and the the release of claims by Plaintiff and Settlement

Class Members in favor of E.T. Browne and the Released Parties on the terms and conditions set forth in this Agreement.

1.3 Plaintiff's counsel has analyzed and evaluated the merits of all Parties' contentions and this Agreement as it affects all Parties and the Settlement Class Members. Among the risks of continued litigation are the possibilities that Plaintiff will be unable to prove liability, damages, or entitlement to injunctive relief at trial on a class-wide or individual basis.

1.4 Plaintiff and Plaintiff's counsel, after taking into account the foregoing, along with the risks and costs of further litigation, are satisfied that the terms and conditions of this Agreement are fair, reasonable, adequate, and equitable, and that a settlement of the litigation and the prompt provision of effective relief to the Settlement Class are in the best interests of the Settlement Class Members.

1.5 Defendant at all times has denied, and continues to deny, any wrongdoing whatsoever. While continuing to deny all allegations of wrongdoing and disclaiming any liability with respect to any and all claims, Defendant considers it desirable to resolve the litigation on the terms stated herein, in order to avoid further expense, inconvenience, and interference with ongoing business operations, and to dispose of burdensome litigation. Therefore, Defendant has determined that settlement of this litigation on the terms set forth herein is in its best interests.

1.6 Defendant hereby consents, solely for the purposes of the settlement set forth herein, to the certification of the Settlement Class and appointment of Plaintiff's counsel as Class Counsel for the Settlement Class and Plaintiff as Class Representative of the Settlement Class; provided, however, that if this Agreement fails to receive Court approval or otherwise fails to be executed, including but not limited to, the judgment not becoming final as provided in Section XIV of this Agreement, then Defendant retains all rights it had immediately preceding the

execution of this Agreement to object to the propriety of class certification in all other contexts and for all other purposes, and the litigation will continue as if the Settlement Class had never been certified. The fact that Defendant conditionally consented herein to certification of the Settlement Class shall not be used against Defendant by any Party or non-party for any purpose in this litigation or any other action, lawsuit, or proceeding of any kind whatsoever.

1.7 This Agreement is contingent upon the issuance by the Court of both preliminary approval and final approval. Should the Court not issue preliminary approval and final approval, Defendant does not waive, and instead expressly reserves, all rights to defend this litigation.

1.8 This Agreement reflects a compromise between the Parties, and shall in no event be construed as or be deemed an admission or concession by any Party of the truth, or lack thereof, of any allegation or the validity, or lack thereof, of any purported claim or defense asserted in any of the pleadings or filings in the litigation, or of any fault on the part of Defendant, and all such allegations are expressly denied. Nothing in this Agreement shall constitute an admission of liability or be used as evidence of liability, by or against any Party hereto.

V. SETTLEMENT CONSIDERATION AND PROCEDURES FOR PROVIDING BENEFITS TO SETTLEMENT CLASS MEMBERS

5.1 Benefit Available to Settlement Class Members

This can be done on the Settlement Website or by mail, postmarked by the Claims Deadline. In consideration for the Settlement and Releases given herein and subject to the rights, terms, and conditions of this Agreement, Defendant will pay or cause to be paid Valid Claims based upon the election of the Settlement Class Member and for which the Settlement Class Member qualifies:

- (a) Tier 1. Settlement Class Members who elect to fill out the Claim Form for Tier 1 and who do not have valid Proof of Purchase may recover up to a maximum of three dollars (\$3.00) per Unit, limited to two (2) Units or six dollars (\$6.00) per Household; or

5.2 No Unclaimed Property Rights

Defendant guarantees to pay the Benefit as determined by the Settlement Administrator subject to the number of Valid Claims and other adjustments pursuant to the terms and conditions of this Agreement. This Agreement does not create any vested property interest or unclaimed property rights for Settlement Class Members who do not file Valid Claims.

5.3 Cap and Proportionate Reduction

The actual amount paid to Settlement Class Members will depend upon the number of Valid Claims. If the total amount of Valid Claims exceeds the amount of the Settlement Sum that remains after the payment of Class Representative Service Awards, Class Counsel's Fee Award, and all costs of notice and settlement administration, then the Benefit payable to each Claimant shall be proportionately reduced, such that Defendant's maximum liability under this Agreement shall not exceed the Settlement Sum.

The determination of validity of claims shall occur within sixty (60) days of the end of the Claim Period. The Settlement Administrator shall approve or deny all claims after consultation with Class Counsel and Defendant's Counsel. Neither Plaintiffs nor Defendant, nor their counsel, shall have any liability whatsoever for any act or omission of the Settlement Administrator.

6.5 The Settlement Administrator shall also provide reports and other information to the Court as the Court may require. The Settlement Administrator shall promptly and on a weekly basis provide Class Counsel and Defendant's Counsel with information concerning notice, administration, and implementation of the Agreement. Should the Court request or should it be reasonably advisable to do so, the Parties, in conjunction with the Settlement Administrator, shall submit a timely report to the Court summarizing the work performed by the Settlement Administrator. Without limiting the foregoing, the Settlement Administrator shall:

The Settlement Administrator will review each Claim Form based upon the initial submission by the Settlement Class Member and ensure that each is complete, properly substantiated, and, based on the substantiation, determine the appropriate benefit to be paid, if any, in accordance with the terms of this Agreement. The Settlement Administrator is empowered to pay legitimate and Valid Claims only.
- (e) prepare a declaration attesting to compliance with the Class Notice requirements set forth below and identifying all Opt-Outs and/or objectors. Such declaration shall be provided to Defendant's Counsel and Class Counsel for filing with the Court no later than seven (7) days prior to the Final Approval Hearing, or by such other deadline as may be set by the Court.

(f) Benefit Payments for payment of Valid Claims. Defendant is obligated to pay Valid Claims only. To the extent that a Benefit Payment is made by check, as opposed to other forms of payment that may available to Settlement Class Members, such check shall bear in the legend that they expire if not negotiated within six months of their date of issue. Benefit checks issued to a Settlement Class Member not cashed within six months after the date of issue shall be void.

The Fee Award and Class Representative Service Award shall be paid from the Settlement Sum. The payments made from the Settlement Sum as described in this Section shall constitute full satisfaction of E.T. Browne's obligation to pay any person, attorney, or law firm for attorneys' fees, costs, and other expenses, and shall relieve E.T. Browne and the Released Parties from any claims or liability to any other attorney or law firm or

person for attorneys' fees, costs, or other expenses to which any Plaintiff, Settlement Class Member, objector, intervenor, or any other person may claim that are in any way related to the Released Claims.

7.3 Court approval of Class Counsel's Fee Award and Class Representative Service Award will not be a condition of the Settlement. If the Court denies, in whole or part, Class Counsel's Application for a Fee Award, the remainder of the terms of this Agreement shall remain in effect. In addition, no interest will accrue on such amounts at any time. Neither Class Counsel nor Plaintiff will request nor will they accept any award inconsistent with these terms.

7.4 Defendant agrees that it will not object to the amount of Class Counsel's Application for Fee Award up to the amounts set forth in the preceding paragraphs, and will not solicit or encourage others to do so. Defendant further agrees that it will pay the amounts approved by the Court within ten (10) business days after the Final Approval Order provided that Class Counsel provide a stipulated undertaking in the form attached as Exhibit E.

Using the information provided from the Class List, the Settlement Administrator shall, within thirty (30) days from entry of the Preliminary Approval Order, cause Settlement Notice to be disseminated via email substantially in the form attached as Exhibit B, along with an electronic

link to the Claim Form and Settlement Website, to all Settlement Class Members for whom a valid email address is in the Class List. In the event transmission of the email notice results in any “bounce-backs,” the Settlement Administrator will, if possible, correct any issues that may have caused the “bounce-back” to occur and make a second attempt to re-send the email notice.

No later than forty-five (45) days from entry of the Preliminary Approval Order, the Settlement Administrator will send notice via U.S. Mail substantially in the form attached as Exhibit B to all Settlement Class Members in the Class List who did not receive an email pursuant to this Section.

8.3 Publication Notice

Similarly, the Settlement Administrator will cause the Publication Notice to be published in accordance with the Media Plan attached as Exhibit B. The Parties agree that the Publication Notice provides to the Settlement Class and Settlement Class Members information sufficient to inform them of: (a) the essential terms of the Settlement; (b) appropriate means for obtaining additional information regarding the Settlement and the Action; and (c) appropriate information about the procedure for Objecting or Opting-Out of the Settlement, if they should wish to do so. Since the Media Plan is determined to be the best notice practicable under the circumstances and satisfies due process, the Parties will request the Court to approve the Media Plan in the Preliminary Approval Order.

8.4 Settlement Website

The Settlement Administrator will establish a Settlement Website that will contain the complaint in the Action, the Motion for Preliminary Approval, the Preliminary Approval Order, the Settlement Agreement, the Settlement Notice, the Publication Notice, and the Claim Form. The Settlement Website will also identify key deadlines (e.g., the Claims Deadline, the Opt-Out

Deadline, Objection Deadline, the date of Final Approval Hearing), and direct Settlement Class Members on how to submit Claim Forms and include a “Frequently Asked Questions” section.

8.5 Toll-Free Telephone Support Line

The Settlement Administrator will establish a toll-free telephone support line that will provide Settlement Class Members with general information about the Action and will respond to frequently asked questions about the Action and claim procedure available exclusively through an interactive voice response (IVR).

8.6 Methods for Dissemination of Notice

As soon as practicable, but no later than thirty (30) days after the Court’s entry of the Preliminary Approval Order, the Settlement Administrator shall disseminate the Settlement Notice consistent with the Preliminary Approval Order by sending direct notice to all persons on the Class List via email or U.S. Mail, setting up the Settlement Website on the Internet, and posting both the Settlement Notice and Publication Notice.

Within thirty (30) days after the entry of the Preliminary Approval Order, Defendant shall publish, cause to be published, or ensure that the Settlement Administrator has caused to be published, the Publication Notice pursuant to the Media Plan.

8.7 Declaration of Compliance

The Settlement Administrator shall prepare a declaration attesting to compliance with the Settlement Notice requirements set forth above and a statement of the number of Persons the Media Plan reached. Such declaration shall be provided to Defendant’s Counsel and Class Counsel and filed with the Court no later than seven (7) days prior to the Final Approval Hearing.

8.8 Report on Opt-Out Requests and Objections

Not later than seven (7) days before the Final Approval Hearing, the Settlement Administrator shall prepare and deliver to Class Counsel, who shall file with the Court, and Defendant's counsel, a report stating the total number of Persons who have submitted timely and valid Opt-Out requests from the Settlement Class and Objections to the Settlement, and the names of such Persons.

IX. OBJECTIONS AND OPT-OUT REQUESTS

9.1 Objections

Any Class Member, on his or her own, or through an attorney hired at his or her own expense, may object to the terms of the Settlement. Any such Objection must be filed with the Court and served upon Class Counsel, Defendant's Counsel, and the Settlement Administrator no later than sixty (60) days after the Notice Date (the "Objection Deadline"). To be effective, any such Objection must comply with all requirements to be set by the Court in the Preliminary approval Order. The Parties will recommend to the Court to mandate that all objections be in writing and include the contents described below:

- (a) A reference at the beginning to this case, *Lynn Watson v. E.T. Brown Drug Co., Inc.*, Case No. 2022LA000151, DuPage County Circuit Court, Illinois;
- (b) The name, address, telephone number, and, if available, the email address of the Person objecting, and if represented by counsel, of his/her counsel;
- (c) A written statement of all grounds for the Objection, accompanied by any legal support for such Objection;
- (d) Whether he/she intends to appear at the Final Approval Hearing, either with or without counsel;

- (e) A statement of his/her membership in the Settlement Class, including all information required by the Claim Form; and
- (f) A detailed list of any other objections submitted by the Settlement Class Member, or his/her counsel, to any class actions submitted in any court, whether state or otherwise, in the United States in the previous five (5) years. If the Settlement Class Member or his/her counsel has not objected to any other class action settlement in any court in the United States in the previous five (5) years, he/she shall affirmatively state so in the written materials provided in connection with the Objection to this Settlement.

9.2 Compliance with Objection Requirements

Any Class Member who fails to timely file and serve a written Objection in accordance with all requirements to be set by the Court in the Preliminary Approval Order shall not be permitted to object to the Settlement and shall be foreclosed from seeking any review of the Settlement or the terms of the Agreement by any means, including but not limited to an appeal.

Any Class Member who submits a timely written Objection shall consent to deposition by Class Counsel prior to the Final Approval Hearing.

9.3 Opt-Out Requests

Any Class Member, other than any Class Representative, may elect to be excluded from this Settlement and from the Settlement Class by Opting-Out of the Settlement Class. Any Class Member who desires to be excluded from the Settlement Class must give written notice of the election to Opt-Out no later than sixty (60) days after the Notice Date (the “Opt-Out Deadline”), with copies mailed to the Settlement Administrator, Class Counsel, and counsel for Defendant. Opt-Out requests must: (a) be signed by the Class Member who is requesting

exclusion; (b) include the full name, address, and phone number(s) of the Class Member requesting exclusion; and (c) include the following statement: “I/We request to Opt-Out from the settlement in the **E.T. Browne Action**.” No Opt-Out request will be valid unless all the information described above is included. No Class Member, or any person acting on behalf of or in concert or participation with that Class Member, may exclude any other Class Member from the Settlement Class. The last date for Class Members to Opt-Out of the Settlement will, subject to Court approval, be on the Opt-Out Deadline contained in the Preliminary Approval Order. Class Members who timely Opt-Out of the Settlement will not be bound by the terms of this Agreement, including any releases contained herein.

In the event that 1,000 or more of the Settlement Class Members submit valid requests to opt out, Defendant shall have the option to elect to terminate this Agreement, in which circumstance the Settlement will become null and void and the parties will return to the *status quo ante* as described in Section III.

The Class Representative affirmatively supports this Settlement and agrees not to Opt-Out of this Settlement. None of the Class Representative, Class Counsel, Defendant, or its counsel shall in any way encourage any Class Member to Opt-Out or discourage any Class Member from participating in this Settlement.

X. COSTS OF NOTICE AND ADMINISTRATION

10.1. In addition to providing to Settlement Class Members the Benefits described in Section V above, Defendant will pay actual fees and expenses for: (a) the costs of preparing and disseminating the notices provided for in Section VIII above; and (b) the other Administration Expenses, including payments made for the services of the Settlement Administrator and third-party expenses. The fees and expenses relating to costs of notice and settlement administration

shall be paid from the Settlement Sum. Notwithstanding anything to the contrary herein, Defendant shall not be responsible for any cost that may be incurred by, on behalf of, or at the direction of, Plaintiffs or Class Counsel in: (a) responding to inquiries about the Agreement, the Settlement, or the Action; (b) posting the Publication Notice on Class Counsel's website, should that occur; (c) defending the Agreement or the Settlement against any challenge to either or both of them; or (d) defending against any challenge to the Preliminary Approval Order, Final Approval Order, or judgment entered pursuant to the Agreement.

XI. LABEL CHANGE

11.1 As part of the consideration of this Agreement, E.T. Browne agrees to discontinue any statements or representations that the Products "help reduce the appearance of stretch marks" in any media, including on the Product's packaging, in advertisements, or as part of any other consumer-facing materials. E.T. Browne will also omit from the instructions on the Products' labels the statement that the Products should be applied to "stretch mark prone areas." Without limitation, nothing in this Agreement shall prohibit E.T. Browne's ability to represent to consumers that the Products improve the appearance of stretch marks, minimize the appearance of stretch marks, improve skin elasticity, and allow skin to stretch more comfortably.

11.2 Nothing in this Agreement requires E.T. Browne to withdraw, change or otherwise modify labeling, components, packing cases, or advertising of the Products already manufactured, in distribution or storage, and/or stocked in stores. The Parties further agree that this Agreement does not bar Defendant from exhausting its current stock of existing labels or from selling any existing supply of the Products without any requirement that existing stocks of the Products be relabeled or otherwise recalled.

11.3 E.T. Browne agrees to implement the changes described in Section 11.1 within a reasonable time following Final Judgment. For the avoidance of any doubt, none of the Product's labels modified to contain the information described in Section 11.1 shall require review or pre-clearance by Plaintiff or Class Counsel.

11.4 Nothing in this Agreement shall preclude E.T. Browne from making further changes to any labels or advertising for the Products so long as those changes are not inconsistent with paragraph 11.1.

XII. PROCEDURES FOR SETTLEMENT APPROVAL

12.1 Preliminary Approval

Promptly after the execution of this Agreement, Plaintiff will move the Court for an order preliminarily approving this Agreement and requesting that the Court approve the form and content of the Class Notice, substantially in the forms attached to this Agreement as Exhibit B, as described in VIII above, and:

- (a) certifying the Settlement Class and appointing Class Counsel and Class Representative to represent the Class;
- (b) setting the date of the Final Fairness Hearing, upon notice to the Settlement Class, to consider:
 - 1. whether the Settlement should be approved as fair, reasonable, and adequate;
 - 2. whether the Released Claims of the Settlement Class against the Released Parties should be dismissed with prejudice;
 - 3. Class Counsel's Application for Fee Award; and
 - 4. the Class Representative Service Award.

Class Counsel will file motions on topics outlined in Section VII at least ten (10) days prior to the date of the Fairness Hearing, or by such other date set by the Court.

12.2 Final Approval of the Court

This Agreement and the Settlement embodied herein are subject to Final Approval by the Court. If the Settlement is approved, the Court will enter a judgment dismissing the claims against Defendant with prejudice. The Parties waive any right to appeal or collaterally attack a Final Approval Order entered by the Court.

If this Agreement or any part of it is materially modified by the Court or is materially modified upon appeal or remand, either Party may terminate this agreement. If no Party timely elects to terminate, then the Parties shall remain bound to the Settlement as so modified. For purposes of this paragraph, a “material modification” is one that significantly affects the rights or obligations of one or more of the Parties. Without limiting the foregoing and by way of illustration only, material modifications include but are not limited to: (a) any change to the scope of the Released Claims set forth in this Settlement Agreement; (b) any material change to the Final Approval Order which limits or reduces any of the protections afforded to Defendant, (c) any change to the Agreement or terms of the Settlement that potentially increases in any way E.T. Browne’s financial responsibility in connection with this Agreement above the Settlement Sum; or (d) any material change to the Benefit, Class Notice, Claim Form, and claim process. No order or action of the Court pertaining to attorneys’ fees or expenses shall be considered to constitute a material modification so long as such order, action, or modification does not increase the cost of settlement to be borne by Defendant, and does not require that Defendant do anything not specifically set forth herein, or is one that significantly affects the rights or obligations of one or more of the Parties. Similarly, no order

or action of the Court pertaining to the Class Representative's Service Awards shall be considered to constitute a material modification so long as such order, action or modification does not increase the cost of Settlement to be borne by Defendant and does not require that Defendant do anything not specifically set forth herein. Any dispute as to the materiality of any modification or proposed modification of this Agreement shall be resolved by the Court.

XIII. RELEASES

13.1 Upon the Effective Date and without any further action by the Court or by any Party to this Agreement, Plaintiff and the Settlement Class Members and all of their administrators, executors, personal representatives, heirs, agents, attorneys, assigns, predecessors, and successors, for good and sufficient consideration, the receipt and adequacy of which is acknowledged, shall be deemed to, and shall, in fact, have remised, released and forever discharged any and all Released Claims, which they, or any of them, had or has or may in the future have or claim to have against any of the Released Parties.

13.2 The Releasing Parties hereby fully release and forever discharge the Released Parties from any and all claims, demands, rights, damages, obligations, suits, debts, liens, contracts, agreements, judgments, expenses, costs, liabilities, and causes of action of every nature and description, including claims for attorneys' fees, expenses and costs, whether known or unknown, suspected or unsuspected, existing now or arising in the future that (a) is or are based on any act, omission, inadequacy, misstatement, representation, harm, matter, cause, or event pertaining to the Products that has occurred at any time from the beginning of time up to and including the entry of the Preliminary Approval Order, or (b) arise from or are related in any way to the Action or the marketing, advertising, promoting, or Labeling of the Products ("Released Claims"). This release expressly excludes and does not release the Released Parties from any

claims, if any, the Releasing Parties may have against the Released Parties for personal injury damages relating to the Products.

13.3 Without limiting the foregoing, the release specifically extends to claims that the Releasing Parties do not know or suspect to exist in their favor at the time that the Settlement, and the release contained herein, becomes effective. This paragraph constitutes a waiver of, without limitation as to any other applicable law, section 1542 of the California Civil Code, which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, WHICH IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

13.4 The Releasing Parties understand and acknowledge the significance of these waivers of California Civil Code section 1542 and any other applicable federal or state statute, case law, rule or regulation relating to limitations on releases. In connection with such waivers and relinquishment, the Releasing Parties acknowledge that they are aware that they may hereafter discover facts in addition to, or different from, those facts that they now know or believe to be true with respect to the subject matter of the Settlement, but that it is their intention to release fully, finally, and forever all Released Claims with respect to the Released Parties, and in furtherance of such intention, the release of the Released Claims will be and remain in effect notwithstanding the discovery or existence of any such additional or different facts.

13.5 The Final Approval Order shall further provide for and effect the release of all actions, causes of action, claims, administrative claims, demands, debts, damages, costs, attorney's fees, obligations, judgments, expenses, compensation, or liabilities, in law or in equity, whether now known or unknown, contingent or absolute, that Releasing Parties now have or may

have against the Released Parties by reason of any act, omission, harm, matter, cause, or event whatsoever arising out of the initiation, prosecution, or settlement of the Action or the claims and defenses asserted in the Action.

13.6 Notwithstanding the above, the Court shall retain jurisdiction over the Parties and the Agreement with respect to the future performance of the terms of the Agreement, and to assure that all payments and other actions required of any of the Parties by the Settlement are properly made or taken.

XIV. FINAL JUDGMENT AND SETTLEMENT APPROVAL

14.1 This Agreement is subject to and conditioned upon the issuance by the Court of the Final Approval Order that finally certifies the Settlement Class for the purposes of this Settlement, grants final approval of the Agreement, and provides the relief specified herein, which relief shall be subject to the terms and conditions of the Agreement and the Parties' performance of their continuing rights and obligations hereunder.

XV. REPRESENTATIONS AND WARRANTIES

Each Party represents and warrants to, and agrees with, the other Party as follows:

15.1 Each Party has had the opportunity to receive, and has received, independent legal advice from his or her or its attorneys regarding the advisability of making the Settlement, the advisability of executing this Agreement, and the legal and income tax consequences of this Agreement, and fully understands and accepts the terms of this Agreement.

15.2 Defendant represents and warrants: (a) that it has the requisite corporate power and authority to execute, deliver, and perform the Agreement and to consummate the transactions contemplated hereby; (b) that the execution, delivery, and performance of the Agreement and the consummation by it of the actions contemplated herein have been duly authorized by necessary

corporate action on the part of Defendant; and (c) that the Agreement has been duly and validly executed and delivered by Defendant and constitutes its legal, valid, and binding obligation.

15.3 Plaintiff represents and warrants that she is entering into the Agreement on behalf of herself individually and as proposed representative of the Settlement Class Members, of her own free will and without the receipt of any consideration other than what is provided in the Agreement or disclosed to, and authorized by, the Court. Plaintiff represents and warrants that she has reviewed the terms of the Agreement in consultation with Class Counsel and believes them to be fair and reasonable, and covenants that she will not file an Opt-Out request from the Settlement Class or object to the Agreement.

15.4 Plaintiff represents and warrants that no portion of any claim, right, demand, action, or cause of action against any of the Released Parties that Plaintiff has or may have arising out of the Action or pertaining to her purchase and/or use of the Product and/or the design, manufacture, testing, marketing, Labeling, packaging, or sale of the Product otherwise referred to in this Agreement, and no portion of any recovery or settlement to which Plaintiff may be entitled, has been assigned, transferred, or conveyed by or for Plaintiff in any manner; and no Person other than Plaintiff has any legal or equitable interest in the claims, demands, actions, or causes of action referred to in this Agreement as those of Plaintiff herself.

15.5 No Party relies or has relied on any statement, representation, omission, inducement, or promise of the other party (or any officer, agent, employee, representative, or attorney for any other party) in executing this Agreement, or entering the Settlement provided for herein, except as expressly stated in this Agreement.

XVI. NO ADMISSIONS OF FAULT

16.1 The Agreement is conditioned upon final approval of the Court and is made for settlement purposes only. Whether or not consummated, this Agreement shall not be construed as, offered in evidence as, received in evidence as, and/or deemed to be, evidence of a presumption, concession or an admission by Plaintiff, Defendant, any Settlement Class Member or Released Party, of the truth of any fact alleged or the validity of any claim or defense that has been, could have been, or in the future might be asserted in any litigation, or the deficiency of any claim or defense that has been, could have been, or in the future might be asserted in any litigation, or of any liability, fault, wrongdoing, or otherwise of such Party.

XVII. MISCELLANEOUS PROVISIONS

17.1 Termination of Agreement

This Agreement may be terminated at the election of either Party: (a) if the Court fails to approve the Agreement; (b) in the event of any proposed material modification of this Agreement as a condition to approval of the Settlement; (c) prior to approval of this Agreement by the Court, upon the mutual agreement of the Parties by and through their respective counsel; or (d) in the event that more than 1,000 of the Settlement Class Members opt out of the Settlement.

17.2 Entire Agreement

This Agreement, together with the Exhibits hereto, constitutes the entire agreement between the Parties with respect to the subject matter of the Settlement and supersedes all prior negotiations, communications, memoranda, and agreements between the Parties. Neither the Plaintiff nor Defendant are entering into this Agreement in reliance upon any representations, warranties, or inducements other than those contained in this Agreement.

17.3 Change of Time Periods

The time periods and/or dates described in this Agreement with respect to the giving of notices and hearings are subject to approval and change by the Court or by the written agreement of Plaintiff's Counsel and Defendant's Counsel, without notice to Class Members except that the Settlement Administrator shall ensure that such dates are posted on the Settlement Website.

17.4 Extension of Time

The Parties reserve the right, by agreement and subject to the Court's approval, to grant any reasonable extension of time that might be needed to carry out any of the provisions of this Agreement.

17.5 Media and Contact of Class Members

To avoid contradictory, incomplete, or confusing information about the Settlement, the Parties agree that if they make any written press releases or statements to the media about the settlement before the conclusion of the Claim Period, such releases or statements will be approved by the Parties in advance and, where desired by the other Party, made jointly. Except as noted herein and by mutual agreement of the Parties, the Class Notice shall constitute the only communication with Class Members regarding the Settlement prior to the Final Fairness Hearing. Notwithstanding, Class Counsel can answer any inquiries initiated by Class Members and may communicate freely with Plaintiff.

17.6 Cooperation

Defendant, Plaintiff, and their respective counsel agree to prepare and execute any additional documents that may reasonably be necessary to effectuate the terms of this Agreement. The Parties shall cooperate with the Settlement Administrator to the extent reasonably necessary

to assist and facilitate the Settlement Administrator in carrying out its duties and responsibilities. The Parties will also cooperate so that Class Counsel may have such confirmatory discovery as is reasonably necessary in connection with this Agreement.

17.7 Plaintiff's Authority

Class Counsel represent and warrant that they are authorized to take all appropriate actions required or permitted to be taken by or on behalf of the Plaintiff and, subsequent to an appropriate Court Order, the Settlement Class in order to effectuate the terms of this Agreement and are also authorized to enter into appropriate modifications or amendments to this Agreement on behalf of the Plaintiff and, subsequent to an appropriate Court Order, the Class Members.

17.8 Governing Law

This Agreement shall be construed and governed in accordance with the laws of the State of Illinois, without regard to Illinois's conflict-of-laws principles.

17.9 Stay Pending Court Approval

Class Counsel and Defendant's Counsel agree to stay all proceedings, other than those proceedings necessary to carry out or enforce the terms and conditions of the Settlement, until the Effective Date of the Settlement has occurred. If, despite the Parties' best efforts, this Agreement should fail to become effective, the Parties will return to their prior positions in the Action, in accordance with Section III of this Agreement.

17.10 Construing the Agreement

This Agreement shall not be construed more strictly against one Party than another merely by virtue of the fact that it may have been initially drafted by counsel for only one of the Parties. It is recognized that this Agreement is the result of arm's-length negotiations between the Parties

and it is acknowledged that all Parties have contributed substantially to the preparation of this Agreement, accordingly, the doctrine of *contra proferentum* shall not apply in construing this Agreement, nor shall any other such similar doctrine apply.

17.11 Evidentiary Preclusion

The Parties agree that, to the fullest extent permitted by law, neither this Agreement nor the Settlement, nor any act performed or document executed pursuant to or in furtherance of this Agreement or the Settlement: (a) is or may be deemed to be or may be used as an admission of, or evidence of, the validity of any claim or of any wrongdoing or liability of the Released Parties; or (b) is or may be deemed to be or may be used as an admission of, or evidence of, any fault or omission of any Released Party or the appropriateness of class certification in any civil, criminal, or administrative proceeding in any court, administrative agency, or other tribunal. In addition, any failure of the Court to approve the Settlement and/or any objections or interventions may not be used as evidence in the Action or any other proceeding for any purpose whatsoever. However, the Parties may file the Agreement and/or the Final Approval Order in any action or proceeding that may be brought against them in order to support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar, or reduction or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim.

17.12 Effect of Non-Approval

In the event that this Agreement is not approved by the Court in substantially its present form, any Objection to the Settlement is sustained by the Court, or the Settlement does not become final for any reason including Termination pursuant to paragraph 17.1 above, the terms and provisions of this Agreement shall have no further force and effect with

respect to the Parties or the Class Members, and shall not be used in this Action or in any other action or proceeding for any purpose, and any order or judgment entered by the Court in accordance with the terms of this Agreement shall be treated as vacated, nunc pro tunc. In such event, this Agreement and all negotiations, proceedings, documents prepared, and statements made in connection with this Agreement shall be without prejudice to any Party or Class Member and shall not be admissible or offered into evidence in any action or proceeding, and shall not be deemed, asserted, or construed to be an admission or confession by any Party or any other Person or entity of any fact, matter, or proposition of law, and shall not be used or asserted in any other manner or for any purpose, and all Parties and Class Members shall stand in the same position as if this Agreement and Settlement had not been negotiated, made, or submitted to the Court.

17.13 Signatures

This Agreement may be executed in counterparts, and, when so executed, shall constitute a binding original; each of which shall be deemed an original but all of which together shall constitute one and the same instrument. Facsimile signatures or signatures sent by email shall be deemed original signatures and shall be binding.

17.14 Notices

Whenever this Agreement requires or contemplates that one Party shall or may give notice to the other, notice shall be provided in writing by United States First Class Mail and email to:

17.16 Protective Orders

All orders, settlement agreements and designations regarding the confidentiality of documents and information ("Protective Orders") remain in effect, and all Parties and counsel remain bound to comply with the Protective Orders, including the provisions to certify the destruction of "Confidential" documents.

17.17 Binding on Successors

This Agreement shall be binding upon the heirs, executors, administrators, successors, and assigns of the Plaintiffs, Settlement Class Members, and Defendant.

17.21 Exhibits

17.22 Taxes

No opinion concerning the tax consequences of the Agreement to any Settlement Class Member is given or will be given by Defendant, Defendant's Counsel, or Class Counsel; nor is any Party or their counsel providing any representation or guarantee regarding the tax consequences of the Agreement as to any Settlement Class Member. Each Settlement Class Member is responsible for his/her tax reporting and other obligations respecting the Agreement, if any.

17.23 Retain Jurisdiction

The Court shall retain jurisdiction with respect to the implementation and enforcement of the terms of this Agreement, and all Parties hereto submit to the jurisdiction of the Court for purposes of implementing and enforcing the agreements embodied in this Agreement.

17.24 Attorneys' Fees

Notwithstanding any of the provisions herein, if any party finds it necessary to institute legal proceedings to enforce another party's obligation under this Agreement, the prevailing party in any such action shall be entitled to recover its reasonable attorneys' fees and costs.

After a full investigation, discovery and arm's-length negotiations, the Parties and their counsel agree that they: (a) have independently determined that this Settlement is in the best interest of the Class; and (b) shall support motions for entry of the Preliminary Approval Order and Final Approval Order.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed by their duly authorized representatives.
