Once upon a time I'm pretty sure I told Matt if I ever joined an additional company to earn more income just slap me. (Just a saying~ obviously not for real 😂😂). This morning he walked in and he said honey I just wanted to let you know that you're Elomir paycheck paid our house note just now. 😱😱😱😱🙌🙌🙌🙌! My flipping house note ya'll! Read more if you want 📖.

This was a prayerful decision. It started with a discussion from someone I trusted. It led to a great conversation with complete strangers that frankly I did not trust simply because I did not know them. So what else can you do but take it to prayer? God just give me a sign if this is for me. God align me with the right people who are for me in EVERY area of my life. And you know what HE did? He sent me THE BIGGEST IN YOUR FACE SIGN to tell me it was the right decision. I'll put a screenshot of the very first thing I saw when I opened my eyes on the day I wanted to make a decision. Peep the comments.

Then I started getting actual testimonies in from people I knew. People that were telling me they were sleeping better, they were calmer, they were more focused, they were 🍌🍌🍌🍌 like a champ, they had more sustainable energy, more motivation, and less frustration. I mean surely all these people can't be making this stuff up. After all, THEY are the ones buying it. So each day I get another little affirmation. And each day I'm grateful that I'm helping people benefit from not only the supplement strip ingredients, but also the financial side of the opportunity. Ya'll reach out to me. This literally is a month old and already taking people to the NEXT LEVEL OF WELLNESS! I ain't mad about it. Every single day my heart is happy when I receive a message from someone saying how much this has helped them "become themselves again." Those are actual words from a client. THAT is absolutely profound to me. Sending much love and healthy blessings to you all.

Our family is SO GRATEFUL for your support of my Tutoring business, my Limelife business, and now my Elomir business❤️❤️.
