itsmattrosa  There's usually a test before the testimony, a test before major promotions. The teachers usually quiet during these test, watching how it is that we maneuver, our honesty, and readiness. In this season Our obedience, focus, and our faith may be tested so remember, you cant really choose what is being tested but you can always choose how you answer 100

Gods prepping you for all them blessing that are about to walk up into your life, don't think that these test are in vain; You growing through all of this with a purpose 🙌
