

HELLO FRIENDS! SHANNA & BRANDON
HERE! 🙌

Hi Friends!

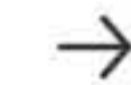

My name is Shanna Hunter! I am a mom of four
and a rescue boxer named Jax 🐶... and married
to my best friend in the world, Brandon! I was a
ER RN for 12 years.... and recently retired to
stay home full time and work my at home
business!! 😊

I started in this industry about 5 1/2 years ago. While working multiple 12-13 hr shifts, online school, all the kids school and extras... I was **EXHAUSTED**. My hubby was working full time as well... but because of student loans, credit cards, day care... we were in TROUBLE. We were not even living paycheck to paycheck! Despite long hours, overtime.... we **STILL** couldn't make ends meet. We were in over our heads.😓 repos. Payday loans. Creditors. You name it... it happened.

We found this Industry through a friend. We knew absolutely **NOTHING** about sales. We were completely skeptical at first! But Despite our doubts... we knew that **SOMETHING** had to change! We could either keep watching our friend make money from home and do **NOTHING** ... or we could take a chance and see where it takes us. But nothing changes if nothing changes right?!🙄

That was the beginning of a whole new way of life for our family!👪 we started to chip away at our debt. Were able to put our children in dance, and tae Kwon do. We took our first family vacation!✈️🏖️ and we did this... all on the side of our regular jobs!

side of our regular jobs!

Fast forward to today... I sometimes have to pinch myself!!! We are 🏠 figure income earners- top 300 on business for home!! We retired my husband as well and we both work this business full time! We were able to pay off ALL OUR DEBT !!!! Our credit scores are the highest they have ever been. We bought our very first 🏠!!! It has been such a blessing for our family!!!🙏

Now... our mission ? Is to help others do the same! People just like YOU! To become debt free! To find that time freedom and financial freedom! We are ready to mentor some people that are **SERIOUS** about making some extra money right from your smart 📱!

If that someone is you, swipe over to the next page to fill out my influencer application! Let's see if this is the blessing you too... have been praying for!🙏
