hours of the night and then did it again the next day in a different country or city. He's a real leader, a real visionary, a giver, and he has a higher purpose that I believe will continue to propel our company. This was in Portugal last week and he took one of our TLX Flags during the meeting and wore it the rest of his time on stage. He's hilarious and he doesn't care what anyone else thinks! He's going to continue to change millions of lives around the world, just watch.... #tlx #30daysoftravel #tlxtakesyouthere #whoscomingwithme #portugal #travel #lifestyle #leadership #ceo #gamechanger
