wesmelcher There are certain things you should see in your life. Everyone has a bucket list. The sad thing is that most people never get to see the things on their bucket list. It's disappointing to me to think most people never see one thing on their bucket list and especially all the things. That's why we created TLX ANNIVERSARY TRIPS and we are going to help millions of people scratch off their bucket list places every year for FREE!! This is the BLUE GROTTTO in CAPRI ITALY and was one of the coolest experiences I have ever had and it's been fascinating people for over 300 years!! You have to lie flat in the boat to get inside and then the rowboat
