I am so humbled and proud to be aligned with people I trust and a company that is already changing lives for the better. Congratulations Cindi and Kelly on your promotions!

Today was my first day back to work after an 18-day vacation. Normally after being away for a long time I am so overwhelmed by everything that didn't get done while I was off that I can't concentrate or focus and I spend the day spinning and not really accomplishing much. BUT today was significantly different.

I consistently did the strip every day for the past two weeks. I've noticed I'm sleeping better and I feel calm all the time. I believe this little yellow strip has made all the difference 🥰

# 3 Powerful INGREDIENTS

1. Curcumin
2. NAC Conjugate
3. Thiamine Conjugate

Our breakthrough Diffusion Technology offers a solution to the poor bioavailability and absorption of the more conventional forms of these ingredients.
