The last couple weeks have been nonstop but we are back and at it with this episode! After taking the weekend to run a 5k with My Hood My Block My City, we head to Vegas with the team to prep for Life is Beautiful Weekend...let's just say...it got "creamy" Secret Creamery

Next, we are off to Houston for yet another shoot we can't say too much about because... well...Let's just say, the Legends will find out soon enough...it's EPIC! What's not epic is our newest flavor of GHOST energy was leaked... cough, cough, @Maxx Chewing :smirk: So we reveal and announce the launch of... watch the video for the big reveal!

Comment below and let us know what else you want to see.
