Dan Lourenco and Ryan Hughes, owners of Ghost, have been working on GHOST GLOW for over a year, and it's finally available!

But what is Ghost Glow?

Watch the video to find out and check out our full in-depth article where we explain the science behind every ingredient! (Nearly 50 references in total)

READ MORE here: <https://blog.priceplow.com/supplement...>

Ghost Glow features a blend of several trademarked ingredients from some of the top ingredient developers in the supplement industry, such as NuLiv Science! Ghost Glow was conceived to leave you feeling like a legend inside and out.

It's perfect for men and women who are looking to brighten the appearance of their skin, balance their hormones, and defend against their cells against free radicals. Needless to say, Glow is the ultimate beauty x detox supplement and the taste is unreal!

Here's a glimpse of the formula:

- Vitamin C - 500mg
- Vitamin E - 15mg
- Biotin - 2500mcg
- Selenium - 200mcg
- Chromium - 120mcg
- Inositol - 4000mg
- Astrion - 250mg
- Setria L-Glutathione - 250mg
- L-Theanine - 200mg
- DIM - 150mg
- Verbasonol - 50mg
