youcanjustcallmeeric I know I sound like a broken record, but I can't help it: Ghost has done it again! Warheads Sour Apple Ghost Energy is another fantastic addition to an already awesome lineup. If you've been following me for awhile, you know how much I love the Sour Watermelon flavor. Well, if you're like me and you love sour energy drinks, you're going to need this one in your life. This one isn't going to dethrone the kind for me but it's good enough that it'll slide into second place in my rankings. For those of you who are curious, here's how this shake out:

1. Warheads Sour Watermelon
