youcanjustcallmeeric Ghost is back with another awesome flavor of @ghostenergy!

It might be a little redundant (It's basically Sour Patch Kids Red Berry without the sour) but the flavor is spot on and super tasty.

For those wondering, here's my rankings of the Ghost Energy flavors:

- 1 Sour Watermelon Warheads
- 2 Blue Razz Sour Patch Kids
- 3 Red Berry Sour Patch Kids
- 4 Swedish Fish
- 5 Orange Cream
- 6 Tropical Mango
