therealmargaretjosephs I like my products like I like my people... Nontoxic! 😊 I have been taking @nutrafol for the past 4 month and my hair feels so much thicker so far! When I was a little girl I had gorgeous hair, so when it started thinning the last few years I knew I had to start taking a supplement as there was NO WAY I was getting crazy permanent extensions... like some other girls 😊👩 Nutrafol is Physician-formulated with natural, 100% drug-free ingredients clinically shown to improve hair growth. Stay tuned for an update on my hair journey! 📺 #nutrafolpartner #nutrafol
