melaninbanc We're back... it's the 3-month check-in w/ [@nutrafol](#) !

I'm so so thrilled with the results so far tbh! My hair is feeling full, soft, luscious & the fro is definitely flourishingggg💕. If this is the results after 3 months, I certainly can't wait for what it's gonna be by the end of the year! Ofc, I'll be keeping you guys updated as I continue this hair growth journey but I don't wanna do it alone. Join in with me by clicking the link in my stories & get \$50 off your Nutrafol supply!!
