imakeitsspicy Miss my monkey so little! 🐒

Also missing my healthier hair before postpartum hair loss hit hard. Looking for solutions, I'm so happy to have come across Nutrafol.

Join me in Nutrafol's new community conversation to Shed The Silence and normalize female hair struggles. This Facebook group is to help us feel like we aren't alone, find support in each others experiences, and take back our hair story.

Here's the link:
