**thegoodrichwife** I love my hair, but I don't always treat it as well as I should. Things like over styling, stress, and even metabolism can affect hair growth and health. [@nutrafol's](#) hair growth supplements are 100% drug free and packed with naturally derived ingredients to help target multiple causes of hair thinning so I can take care of my hair from the inside out. Follow the link in my bio to get \$50 off your first three month supply for a limited time.
