- 2 It will directly impact the daily lives of 3.9 BILLION women 👧 (and 👉 indirectly impact everyone else 👉)
- 3 Its an opportunity to help 49% of the population experiencing life-disrupting and anxiety-inducing health and wellness issues and concerns. I promise, WE ALL have a story that relates here! 🥺🙏
- 4 Its predicted to be a \$48 BILLION market by 2027 (and up to 58.2B by 2030) 💰💰💰💰💰
- 5 At the forefront of a product category that DOES. NOT. EXIST. right now. That everyone will be running to catch up to.
