lauriedavis0102 Menopause. Oh, the joy! For years women have suffered in silence. Menstrual cramps, bleeding through pants. Feeling it was something to be ashamed of even though it's totally natural. Then when we get past that menopause moves in. Hot flashes. Night sweats. Mood swings that rival a roller coaster. Now there's a natural help for all of the above. To see a free, educational video, drop me a message. [#SufferNoMore](#) [#MenopauseSolutions](#) [#Project23](#) [#WomenOver40](#) [#WomenOver50](#) [#MenstrualCycles](#).
