megan\_lorence This year is off to such an exciting start! I am part of a pre-launch project that is about to make a big impact on people's lives - especially women!!

I'm grateful for the decisions I've made in my career and the opportunities I've taken advantage of along the way...but THIS one tops them all.

This is:

📈 BIGGER than skincare, collagen, or (believe it or not) weight management.

And it's also bigger than:

- Makeup

Why? How??

✨ 3.9 BILLION people 👯 will be directly impacted by this product (and it will indirectly impact everyone else! 😬)

✨ It's an opportunity to help 49% of the population experiencing life-disrupting and anxiety-inducing health and wellness issues and concerns 😬

✨ It's predicted to be a \$48 Billion

disrupting and anxiety-inducing health and wellness issues and concerns 🙄

✨ It's predicted to be a \$48 Billion market by 2027 (and up to 58.2B by 2030) 📈

✨ This product category DOES. NOT. EXIST. right now. Everyone will be running to catch up. 🏃🏃

Curious?? Believe me, I was too.

Drop a ? or message me to watch a one minute video to see what is coming. 🙌
