rosewhitmoyer I just got some exciting news! 🙌

TONIGHT I'll be able to purchase 6 bottles of the MENOPAUSE & PERIOD supplements I've been telling you about for the past few weeks!! 🎉🥳

I am looking for 6 women who want to be some of the FIRST people to use this product. I've already been taking it but I'd love to have some of my friends use it along with me! ❤️

This is a non-hormonal product. Completely safe & all natural. 🌿

I've been using the menopausal formula almost 3 weeks.
