**thebrittneybishop** Modere is launching a women's hormone health product. It's been in testing for five years. All plant-based and helps balance and support hormones WITHOUT synthetic hormones.

There is NO OTHER PRODUCT IN THAT SPACE and HALF of the world needs it. Social Marketers get to try it first and can order it NOW! I just

it first and can order it NOW! I just grabbed mine 🥰

If you are interested, you can join us and get it FREE {plus up to one <sup>100</sup> dollars off when you order through my link!} and you will be on this literal ground-floor product launch!!

📢 Our collagen products are billion dollar products EACH, and this is set to outsell them both, COMBINED.

to outsell them both, COMBINED.

One version of the product for premenopausal and one for post menopausal. Imagine old school birth control packaging, where it starts with day 1 and goes through the month delivering a different blend for each day to support your cycles and balance your hormones.

The results are impacting everything

The results are impacting everything from weight, to mood, to cramps and heavy flow, to brain fog, to low energy adrenal type issues, to sore breasts, low libido and hot flashes. I am soooo excited to start mine next week 🥹 literally I just went through "hell week" of my cycle, and it's steadily been worse for 3 years now.

AND, get this... it's also affecting cortisol levels associated with stress

cortisol levels associated with stress responses. Who could possibly need something like that?

👩👩 It's me, hi. I'm the problem, it's me.

This will be a GAME CHANGER for women. I am so honored and excited to be a part of it all. It's what my body has been in desperate need of for SO many years. Pretty cool right?

for SO many years. Pretty cool right?

It will be available to customers in March. Check it out ►

And comment HORMONES in the comments if you want to be added to my VIP launch list.
